

# LADIES ENCOUNTER

2018 Ladies Spring Encounter  
with Mary Southerland

Mary Southerland is an author and speaker and also a survivor. Women identify with Mary because she has survived the road of clinical depression, infertility, adoption, full-time ministry, sexual abuse, chronic physical pain, and the daily stress of life. Through God's power, Mary has emerged with joy, strength, and victory. Her heart's desire is to encourage women with a message of hope and equip them with practical truths from God's Word to face every part of their lives with power and purpose.

She is Founder of Journey Ministry and Co-founder of Girlfriends in God, a non-denominational ministry that crosses many boundaries to bring the Body of Christ together as believers.

The unwanted intrusion of a nosy neighbor...the exasperating antics of the teenager who constantly pushes your buttons...the infuriating behavior of a co-worker, or the hurtful words of a spouse. Mary will help us discover how to deal with the difficult relationships in our lives.

**Saturday, April 14, 2018
