In 2011, 2ndLt Rollins commissioned in the USMC, and in 2012 completed The Basic School and Basic Communications Officer Course.

In 2013, 2ndLt Rollins reported to MWSS-171 in Iwakuni, Japan. As the S-6/Communications Officer and Platoon Commander she supported exercises in Twentynine Palms, CA and on the island of Tinian. She managed over 40 data, radio, wire and maintenance Marines in planning, installation, and sustainment of secure data, video, and voice networks in support of hundreds of users.

In 2014, 1stLt Rollins reported to MAG-12 in Iwakuni, Japan. As the S-6/Communications Officer, she supported Unit Deployment Program rotations and exercises throughout the Pacific, to include Thailand, South Korea, Australia, Guam, and the Mariana Islands. She managed the planning, installation, and sustainment of secure data, video, and voice networks in support of over six squadrons throughout the Pacific.

In 2015, 1stLt Rollins reported to Information Systems Management Branch (ARI), HQMC. As the Assistant Operations Officer, she managed various projects in support of Marine Corps Enterprise Network users within the Pentagon.

In 2016, Capt Rollins reported to the Martial Arts & Fitness Center of Excellence in Quantico, VA. She served as the Deputy Director in support of planning and execution of the Force Fitness Instructor Program, an initiative by the CMC.

In 2019, Capt Rollins graduated from resident EWS in Quantico, VA. She was a member of the Energy and Innovation Scholars Program at Marine Corps University. Upon graduation, she reported to Officer Candidate School as a summer augment Staff Platoon Commander for Charlie Company, First Platoon.

In 2019, as a Cyberspace Warfare Officer, Capt Rollins reported to MARFORCYBER at Fort Meade, MD. She served as a Mission Commander for a Combat Mission Team in support of planning and executing offensive cyber operations aligned to national strategic objectives.

In 2021, Capt Rollins reported to a National Cyber Protection Team (N-CPT). She served as the Team Lead and Mission Commander in support of planning and execution of defensive cyber operations (DCO) aligned to Cyber National Mission Force, U.S. Cyber Command strategic objectives. During this time, Maj Rollins deployed and led a high-visibility joint-service Hunt Forward Operation.

In 2022, Maj Rollins reported to Marine Corps Cyberspace Warfare Group. She served as the Future Operations Officer in support of planning DCO executed by Marine Corps Cyberspace Operations Battalion CPTs. She also served as the MARFORCYBER Sexual Assault Response Coordinator.

In 2023, Maj Rollins reported to Dominion Energy in Richmond, VA. She currently serves as a CMC Fellow within the Dominion Energy Cyber Security Operations Center in support of cyber defense of U.S. critical infrastructure. During this time, she received the additional MOS of 0571 Operational Advisor based on previous experience, and 0560 Security Cooperation Planner.

Maj Rollins is published in the Marine Corps *Gazette* (2020) and U.S. Naval Institute *Proceedings* (2023). She was interviewed in *Click Here* podcasts by The Record from Recorded Future News, and book *New Cold Wars* by David Sanger.
