2019 Special Needs Summer Camp: Week of Fun!

The week of June 17th through June 21st, about 150 individuals gathered to enjoy participating in making many gooey concoctions, painting, and Big Events that made many memories. Counselors and campers were able to meet Makenzie Thomas and watch her perform, attend a Cincinnati Reds game, and enjoy their meals at Cracker Barrel (in Morehead) after watching The Secret Life of Pets 2 at Morehead Cinemas. Speaking of good food, every day those attending camp received a meal made by our friends at The Frosty Freeze.

On Friday, June 21st campers and counselors enjoyed a Dance together. The evening continued with a community/parent invitation to watch our video compilation of photos from the week and our amazing talent show with entertainment provided by a combination of both campers and counselors! Camp would not have been a success this year without the help of our awesome staff, volunteers, sponsors, and of course the awesome campers we enjoyed throughout the week! We are already counting down to next year!

Little SNCKI

On Saturday, June 15th SNCKI held it's First Annual Little SNCKI with individuals who meet all qualifications to attend our week-long camp (and

someday hopefully will) except for their age. All who attended received a sneak-peek into what camp is like but geared more to their age-group. All individuals listened to many popular books and participated in an activity associated with that book. They participated in everything from making green eggs and ham out of play-doh, went on a bear hunt, made a Rainbow Fish friendly sensory bin, and even made their own cookies. We had such a blast with each individual and hope to see more come to next years sneak peek for our younger friends!

Concessions

As much as we appreciate the funds we receive from the Annual Spaghetti Dinner and Auction we quickly realized a few years back that this money would not be enough to support all of the members of our organization as we continue to grow as years progress. In order to ensure that SNCKI's activities remain free to ALL attendees, we began selling concessions at the Bath County Rec. Park. Due to the tremendous amount of help at the Concession Stand, we were able to have a successful year, despite the rain. We are so thankful for all the help received loading/unloading, working, and cleaning up each day! Stay tuned to see if we will continue this endeavor.

Spaghetti Dinner and Auction: A Year of Success

We are overwhelmed with joy and gratitude regarding the success of our auction this year! We would like to thank all of the businesses and individuals who donated items to our auction making it the BIGGEST and longest auction we have ever had! We would also like to thank all individuals who helped with the set up, serving, and take-down of this event. This event could not have run as smoothly as it did without the help of all of these people. A HUGE Thank You goes out to our friends at Midland's Frosty Freeze for preparing and serving the dinner and desserts! We were so delighted to have many of our campers show off these lovely items in support! Thank you to our amazing community that made an appearance at this event, enjoyed the meal, and left with all of the items we had! We are beyond blessed! We hope to see everyone back at this event next year to make our 11th even more successful!
