In existence for over 50 years, the **Mandeville High School Skipper Band** continues to strive to expand its programs and offerings for our students. There are currently 150 students in the MHS Skipper Band, and it is their hard work and dedication that make this band such a phenomenal success year after year.

Through music education, the MHS Band Program provides opportunities for students to acquire life skills that will help them mature and become productive members of society, such as:

- *cooperation and dedication*
- *responsibility and time management*
- *teamwork and leadership skills*

The study of music increases spatial intelligence necessary for mathematics, improves recall and retention of verbal information, and strengthens perseverance; thereby increasing the academic successes of our students. Many of our former band students attend college band programs throughout the state and nation, including LSU, SELU, Tulane, ULL, La Tech, ULM, and Northwestern.

Our marching band, color guard, concert bands, and jazz ensemble continue to grow, requiring more instruments, uniforms, sheet music, storage, transportation, and many other necessities. In order to accomplish our mission, we rely on the generosity of individuals and businesses in our community for support. Each year, we set our goals high and we rely on the help of our community to contribute to the success of our attainment of these goals.

Each year, the band attends approximately 15 to 20 events both in and out of state, including competitions and Mardi Gras parades. Each of these events attracts thousands of spectators who see our Skipper Band perform. At the annual Louisiana Showcase of Marching Bands Championships in Lafayette, the band is exposed to crowds in excess of 30,000!

BE A SKIPPER BAND SPONSOR!

After an unforgettable disruption to our everyday lives, we are looking forward to returning to normal band activities! Our 2021-22 year has a full calendar planned, and with increasing transportation and other costs, we are going to need strong support from our community. In turn, we will place ads in our publications and create name recognition for those businesses and individuals who support us.

Apart from being able to say, **"I'm with the band!"**, your generous support will go far in helping this program remain an important aspect of so many young people's lives. Plus, you'll get valuable recognition in the community!

As a Mandeville High School Band Sponsor, you will be recognized according to the sponsorship level you choose, and [your donation is tax deductible](#). Our Sponsorship program has several levels of participation and all levels are based on contribution amounts. **Come join our SponsorSHIP Crew today!**

Please direct any sponsorship questions to our Band Booster Sponsorship contact, Sheila Kilpatrick. Sponsorship recognition for the year will be acknowledged from July 1 through June 30. Thank you in advance. Please complete the form on the reverse side and return it, along with your contribution at your earliest convenience. Thank you!
