We also pray for those who have died including
 Edna LeBlanc
and for those who mourn the loss of a loved one.

The Way of the Cross

We will pray the Way of the Cross **during the holy season of Lent on Friday evenings at 6:30 PM**. To make this prayer available to as many people as possible, we will celebrate it in different churches according to the following schedule:

- March 10th - St. Bernard's
- March 17th - Immaculate Heart of Mary
- March 24th - St. Augustine's
- March 31st - St. Bernard's
- April 7th - Immaculate Heart of Mary

What is holding you back from experiencing the fullness of a true loving relationship with God?

Throughout Lent a box will be at the entrance to St. Augustine's for your prayer petitions. Bring your petitions with you and place in the sealed box. This box and contents will be burnt in the Easter Vigil fire, symbolizing our entering into the Easter season with a clean heart.

Lenten Walk with the Lord – 40 Acts of Kindness: A parishioner is presenting an additional or optional way to enhance and enrich your Lenten commitment and experience. "Lenten Walk with the Lord" invites you to do one (1) simple act of kindness for each of the 40 days of Lent. There is a calendar which will be placed in the back of the church to help you keep track of your kindnesses along with some simple instructions to help guide you. For example, kindness can be as simple as a 'smile' and often begins at home.

Pope Francis invites us to study, reflect and then discuss and move towards solutions. We are a people called to action. I encourage you to read and reflect on this document and begin to make changes in your life and network with others to work towards solutions.

LINES OF APPROACH AND ACTION

I. DIALOGUE ON THE ENVIRONMENT IN THE INTERNATIONAL

COMMUNITY

164. Beginning in the middle of the last century and overcoming many difficulties, there has been a growing conviction that our planet is a homeland and that humanity is one people living in a common home. An interdependent world not only makes us more conscious of the negative effects of certain lifestyles and models of production and consumption which affect us all; more importantly, it motivates us to ensure that solutions are proposed from a global perspective, and not simply to defend the interests of a few countries. Interdependence obliges us to think of *one world with a common plan*. Yet the same ingenuity which has brought about enormous technological progress has so far proved incapable of finding effective ways of dealing with grave environmental and social problems worldwide. A global consensus is essential for confronting the deeper problems, which cannot be resolved by unilateral actions on the part of individual countries. Such a consensus could lead, for example, to planning a sustainable and diversified agriculture, developing renewable and less polluting forms of energy, encouraging a more efficient use of energy, promoting a better management of marine and forest resources, and ensuring universal access to drinking water.

165. We know that technology based on the use of highly polluting fossil fuels – especially coal, but also oil and, to a lesser degree, gas – needs to be progressively replaced without delay. Until greater progress is made in developing widely accessible sources of renewable energy, it is legitimate to choose the less harmful alternative or to find short-term solutions. But the international community has still not reached adequate agreements about the responsibility for paying the costs of this energy transition. In recent decades, environmental issues have given rise to considerable public debate and have elicited a variety of committed and generous civic responses. Politics and business have been slow to react in a way commensurate with the urgency of the challenges facing our world. Although the post-industrial period may well be remembered as one of the most irresponsible in history, nonetheless there is reason to hope that humanity at the dawn of the twenty-first century will be remembered for having generously shouldered its grave responsibilities.

The Hour Has Come' 3-Day Lenten Retreat

The Laudato Si' Committee invites you to enter this Lenten season with this scripture-based, evening retreat at St. Bernard's Church Hall. March 28th, 29th and 30th, we will start each evening at 7:00 p.m. and together, explore this beautiful world and its sacred community of life. Join us as we learn to pay more attention to God, to become more thankful and reverent, and through this, more deeply in love with our Creator and all that he made. For more information, please contact Karen at 387-4198 or karen.diocese@gmail.com

The courage to Create Hope

To delegates at the 4th World Meeting of Popular Movements, Pope Francis said, "...you have the ability and

the courage to create hope where there appears to be only waste and exclusion."

These are the words that inspired the choice of "Create Hope" as a five-year guiding theme at Development and Peace — Caritas Canada.

The courage to Create Hope is rooted in actions big and small. For to drive away anguish and despair, it is best to act. Every action we take has a positive effect on us, our neighbours, our great human family, our children and their descendants. What will you do this Lent to Create Hope? Join our campaign at devp.org/lent.

THANKS FOR DONATIONS OF USED STAMPS TO DEVELOPMENT AND PEACE - CARITAS CANADA

We would like to express our sincere appreciation for the donations of used stamps that are collected in the boxes placed **at the back of churches or that are sent to the Development and Peace Moncton Regional Office located at the Diocesan Centre.**

Last year, thanks to these donations, we collected about 15 boxes representing several thousand used stamps that were sent to Montreal and Quebec City where volunteers processed them to sell to collectors. The money raised (close to 1 million dollars since the beginning of this activity) allows us to finance projects of our partners in the South who work with the poorest.

Info.: Development and Peace Regional Office at 506 801-0440 or by email dpatlantique@devp.org

Thank you very much and have a good Lent.
