<b>Activity</b>	<b>Rationale</b>	<b>Funding</b>	<b>Impact</b>
Target specific EYPP children individually or in small groups with interventions with nursery staff	Identify specific areas of learning where children are working below age related expectations to improve outcomes (Sept 16)  Close or narrow the gap between EYPP and non EYPP children in all aspects of learning, particularly speaking, number and shape, space and measure	Funding to be used towards the cost of additional resources that target 'language', 'maths' and 'PSED'.  Visits to enjoy a wider range of learning experiences both in and out of school i.e. Puppet Theatre, Ice Cream Van visit, The Library Theatre and visiting musicians/productions	Gaps in attainment to be narrowed in all areas of the curriculum, particularly speaking, numbers and shape, space and measure and making relationships.  Progress is accelerated in all areas by July 2017.
