Alkaviva Delphi H2 Hydrogen Infusion

9-Plate Under Counter Smart Faucet

PN# ALK_DELPHI_H2

The Delphi H2 is most advanced, functional and attractive under sink water ionizer made today. It is controlled by a beautifully designed faucet, allowing you to control ionization and choose 8 different levels of alkaline water with a single touch. The Delphi faucet will blend seamlessly into your kitchen and at the same time provide you with the cleanest, healthiest, alkaline water.

Features -

- Hydrogen Infusion Technology specifically optimizes the infusion of Hydrogen antioxidants into the water
- Updated power delivery system gives you a better performance range
- DARC (Double Automatic Reverse Cleaning) System runs continuously for clean water and helps eliminates scale buildup on electrodes.
- Dual Filtration System - Two under the cover Filters
- Advanced dual filter Ultra Water filtration provides clean, healthy water
- 9 Smart Design Electrodes delivering top performance, maximum efficiency and durability
- One Touch Technology allows you to easily and precisely control your ionizer's functions
- Choose from 8 pH Levels - 5 Alkaline, 2 Acid, or Purified
- pH and -ORP Performance - Potential of 10+ pH and -900 ORP depending on source water.
- LCD Filter Counter displays the usage
- Voice and icon reminders alert you when it is time to change your filters.
- Twin Hot Water Sensors protect your ionizer against the damage from inadvertent hot water flow
- Water Cell Safe Technology – the BPA-free water cell is made using NSF certified material and pressure rated to 90 psi.

Specifications -

- Dimensions -
  - Spout - Overall 9 3/8"; To Long Spout 5 1/2"; to Short Spout 4 1/2"
  - Unit - 14.6" H x 13" W x 5.5" Depth
- Standing Weight 19 pounds
- Power - 110Volt; 60hz; 150W
- Filter Life is approximately 1000 Gallons depending on source water
- Certifications ISO 9001, 14001, UL standard for Low voltage, NRTL, CE and KFDA
- Warranty - Lifetime on parts, 5 years on labor, 30 days on shipping
