

2016 A&M-Yuengling Golden Tee League Information

Timeline

League will consist of 4 segments plus a Final Tournament for qualified players

Segment 1 – May 9 through June 5

Segment 2 – June 6 through July 3

Off Week – July 4 through July 10

Segment 3 – July 11 through August 7

Segment 4 – August 8 through September 4

Format

Each Monday, a pre-determined course will be selected as the “Course of the Week”. You may play this course as many times as you wish, but only your best score will count toward the final standings. At the end of each week, your best score will be locked in with your final score of each segment being the total score of each of the four week’s qualifying scores. Ties will be broken using Great Shot Points from the four qualified scores. Each completed round played by registered players on the “Course of the Week” receives an entry in the \$100 Golden Tee gift card drawing.

Prizes

Winner of each segment qualifies for the end of season Tournament to be held September 14. Once qualified for the tournament, a player is not eligible to win another segment. In addition, one registered player will be drawn to win a \$100 Golden Tee gift card at the conclusion of each segment (winner of the segment is not eligible to win gift card). Also, during the end of season Tournament, four non-finalists that have competed in at least 3 of the 4 segments will have a chance at one of four \$100 Golden Tee gift cards.

Registration

Entry is \$20 per segment

Players receive a \$20 Golden Tee gift card with registration.

May register with PayPal at www.amamusement.com.

Players that join the league after the first week of a segment will be allowed to play make-up games on the course(s) of the week that were missed but will not be eligible for any previously awarded prizes.

Eligibility

Players must be a resident of the CSRA and in good standing with A&M Amusement.

Only Golden Tee machines owned by A&M Amusement are eligible for league play.

All games must be played by first choosing “Online Prizes”, then selecting “18 Hole Prize” and lastly picking the A&M selected “Course of the Week” that is listed below by segment and date. “Course of the Week” should not be confused with the “Classic Course of the Week” already programmed in the Golden Tee machine.
