

26th Annual SuperKIDS Golf Classic

SuperKIDS of Montgomery County, Inc. is an all-volunteer non-profit 501(c)(3) charity dedicated to enhancing the lives of abused, neglected, and abandoned children. The funds we raise help us provide Montgomery County's most needy children with experiences and items they may not otherwise have, such as summer camp, tutoring, sports leagues and cultural activities, and much more. Over 6,000 children have benefitted to date! All proceeds raised from the 26th Annual SuperKIDS Golf Classic will go to SuperKIDS to help continually support our county's children who need it most.
