HOPE ACADEMY

2016 / 2017 ACADEMIC YEAR

TRAINING LIFELONG CHAMPIONS.

PROSPECTUS 2016/2017 ACADEMIC YEAR

■ MISSION STATEMENT

The heart of education is the education of the heart. Hope Academy, HA, is a bilingual endeavour that features excellent academics undergirded by sound and practical biblical training towards a life of leadership to mankind and service to the Almighty God.

From the forgone, the moment a child is born, certain forces are at work influencing his development. As his inherited powers and tendencies surface and interact with his environment and his will, he takes on a characteristic of his adulthood. Human growth however does not end with physical maturity. Some faculties of his personality are capable of expansion and refinement into old age. Education of a child is the directing of this total ongoing process of development towards specific objects. Hence we provide the necessary awareness of God and responses of His word so that when the Holy Spirit brings conviction of sin, he will readily and full understanding accept Christ as his Saviour. Timothy from childhood knew "the Holy Scriptures which are able to make thee wise unto salvation through faith which is in Christ Jesus", II Timothy 3:15.

To this effect, we at HA are committed to creating an enabling environment where both excellent academic and sound practical training, spiritual aspect of human development thrives.
