SHERATON RESORT & SPA, TOKORIKI ISLAND

Tokoriki Island Mamanuca Islands Tokoriki Island, Fiji

Web: www.marriott.com/hotels/travel/nanti-sheraton-resort-and-spa-tokoriki-island-fiji

Check in Time: 3:00 PM Check Out Time: 11:00 AM

Total Number of Rooms: 101 STAR Rating: ★★★★★

October 21 - 29, 2020

This resort, opened in 2014, is situated on a 350 acre beach-front property in the southwestern corner of Tokoriki Island, the northernmost island within Fiji's Mamanuca group. Guests can reach the island via a 12-minute helicopter flight from Nadi or a one-hour boat ride.

The resort which has been closed since February 2016 following Cyclone Winston, reopened in January 2016 following a comprehensive F\$25-million renovation that involved all guest rooms, suites and public areas. Guest facilities added include the Sunset Bistro, a cafe-style dining venue, a Fijian cultural center, a games room and a miniature golf course.

The new guest lobby is inviting, with plush, soft furnishings and captivating views of the resort's abundant reefs and surrounding islands.

All of the property's guest rooms and suites embody the tranquil island location through a white-wash palette, accents of blue, and natural, contrasting materials and textures, including the stone-finish floors and wooden furnishings.

A variety of Fijian menus are offered throughout the day, and themed buffet spreads boast a range of modern and traditional Pacific dishes.

Authentic Fijian experiences with traditional music, culture and cuisine are available at Tokoriki Coco Palms, the resort's new Fijian cultural center.

The spa is one of the largest and most sophisticated day spas in Fiji, featuring a range of signature and local Fijian-style treatments.

The pool and surrounding deck area have been refreshed with stylish and comfortable sun lounges. A newly designed games room with table tennis, pool and foosball tables provides extra entertainment.

GROUP ACTIVITIES IN FIJI

JET BOAT RIDES

Fun-Fast-Exciting-Wet! The original Fiji jet boat ride sends you into 360-degree spins on a ride often described as "the best fun in Fiji!" Depending on the weather and the sea conditions, your ride could take you up a Nadi River inlet, or along the Denarau beach-front. Some even stop in a native village to meet and get to know the people.

RIVER RAFTING

In the remote highlands of Viti Levu lies one of the most unique river trips on earth. Slicing a deep chasm through the island's tropical interior, the Upper Navua River is our hidden pathway to a pristine tropical wilderness. Shrouded in lush rain forest, fed by countless waterfalls and protected by challenging rapids, the Upper Navua River is Fiji rafting at its best. Your exploration of this amazing river is perhaps one of the most unique journeys in all of Fiji, if not the South Pacific and the world.

FIJI CRUISES

The beauty of Fiji lies in its diversity - over 330 islands of which only 110 are inhabited. Cruising is the easiest and most popular way to explore the islands and this full-day cruise to Tivua Island includes snorkeling and glass-bottom boat tours, use of canoes, Kava ceremony, volleyball, morning and afternoon tea, music and entertainment and a sumptuous tropical buffet lunch.

ZIP LINE CANOPY ADVENTURE

Experience the WHOOSH of adrenaline as you soar through the rainforest, enjoying stunning views and distinctive flora and fauna from a unique perspective. Located in the heart of the tropical rainforest in a private eco-reserve, it is a biological paradise! Highly-trained guides help you to use the special equipment and techniques to experience this amazing wilderness.
