

## Family Activity Challenge #5

### 5 Points

- Make a special treat for a neighbor and deliver it to their front porch.
- Play a board game together – create a new house rule.
- Find something in your house that is unorganized. Find a fun way to organize it (color, size, alphabet, year of ownership, retail price).
- Eat a picnic meal together (in your yard or your living room).
- Create a “drive-in” atmosphere in which your family watches a movie you’ve never seen before.
- Try a new food or drink.
- Create a track or obstacle course. Race around or through it. Fastest time gets to pick a meal later in the week.
- Throw a frisbee around outside.
- Learn a new skill (might I suggest origami).
- Send a note/email to teachers, school administrators, or other staff.
- Try to build a Rune Goldberg machine with at least 15 different sections.
- Write a theme song for your family.

Send pictures and/or emails of your family completing your challenges to Mike (mike@fallcreekchristian.org) by April 27.

Family w/ the most points will receive \$40 Amazon gift card.
