Dear Governor Susana Martinez Office, Greetings to you;

I AM PAULETT ANGELLA HEMMINGS EARTH, MY KINGDUM CHRIST CHREATOR OF THESE EARTHS AND THE ONLY CHREATOR OVER ALL CHREATIONS. NO PERSON OR THING IS HIGHER THAN I AM. I AM THE MY KINGDUM CHRIST CHREATOR OF LIFE, OVER ALL LIFE, DEATH, ESISTENCES, AND ANYTHING INBETWEEN AND AFTER. I AM THE HEAD OF ALL STATES/COUNTRIES IN THIS EARTH, ALL EARTHS, ALL CHREATIONS AND ALL ESISTENCES UNDER MY AUTHORITIES.

For this Earth, all Earths, all Chreations, and all Esistences under my authorities, we are now in the Year 2018 PAULETTICK PAJE AND THE NEW YEAR BEGAN THIS MONTH ON NOVEMBER 01. October 31 was the end of the 2017 Year. ON NOVEMBER 01, 2018, the New Year Began, and we have eight (8) days per week.

Time Reverse

For the past months there have been many time changes where we jump from one time to another and many hours cut from the time and moved backward and forward and many variations of time changes.

Today, November 8, 2018, the time clock, the computers, TV, and Cable time were changed. There were many reversals of the time. The time clock went backward and was working in the reverse. From about 1:30 am the computer clocks went backward or reversed the opposite way from right to left up to about 10:00 am. The time went from 1:30 am while it was dark to 1:00 am, to 12:00 pm, to 11:00 pm, to about 10:30 pm. At some time after that it changed and became 2:00 am and then to 3:00 am and then it went backwards, and then it reversed going in the opposite of that again, and then it changed and continued at the delev time we have been having.

Change of Time

Beginning today, November 8, 2018, we are using the original time of this Earth, and these Earths. We are back to the original second, minute, hour, day, week, month, year schedule. All clock must work in the reverse of what we have today in this Natural Natural Earth, Level one, Elevation one.

The right time from what I have heard is: 240 seconds in one minute, 240 minutes in one hour, and 240 hours per day. In these Earths the clock goes from right to left and that is the right way for the clock to

move. These Earths use 8 days per week, 6 weeks in one month, 36 months in one year. We live for 20 years and then we Transend to another elevation.

Weight and Measurements

We are continuing to use the pounds, ounces, inches, feet, pints, quarts, etc. measurements and not the metric system.

A centi is measurement for volume and weight. For example, a centi is measured in grams, like a centi gram. A centi is also measurement of time, length, width, circumference, depth, etc.

Esistences Combined

These natural Earths are now combined with other Earths, my chreations, other chreations, my esistences, and esistences under my authorities.

All these documents must be distributed to my children, to the various states/counties/countries, businesses/commerce, schools, banks, colleges, libraries, morgues, hospitals, nursing homes, churches, mosques, temples, all religion places, foreign governments, embassies, Consulates, TVs, Radios, Newspapers, Internet sources, etc. New Mexico State Governor's Office employees are to distribute these documents, so all the public can get them.

All these documents must be put in the National Gazettes, State Gazettes, City Gazettes, Town Gazettes, Municipal gazettes. The website is <http://www.naturalearthforall.com>. There is also a <http://www.facebook.com/naturalearthforall> site with other information. They must also be put in the National Registry, Register, Records Management, Registrar Generals, etc.
