TVR Invitation's Granite Spell is a beautiful young show prospect with a gorgeous **Mix of Dilute Brown** (I call it "Tan") and **Grey/Silver Suri Fiber**. He has extremely **Large Bone** along with **Superb Stretch** and a table top topline on a **Conformationally Correct** frame. He does not lack **Show Presence** or a sweet disposition either. This guy **Hit the Show Ring with a Blast** placing in the Top 3 in his large class at MLM this year under both judges. He comes from **Fabulous Bloodlines** with his sire being "**Sapaveco's Invitation Only**", aka Vinny. Vinny's pedigree is packed with genetics including **Champagner, Bellisimo RTC, El Fuente and Argentine Fresco**. He had a great show career and is now producing some of our top show prospects. His Dam, "**TVR Nut'n But A Spell**", comes from another set of **Outstanding Bloodlines** which include **LAMS Nutcracker, FFF Casta Spell, GC's Chock Full 'O Nuts, LAMS Char Ming, Newevo and MGF Spellbound** to mention a few. Spell'n had a great show career winning multiple championships herself. Her sire and dam were both futurity champions. Take Granite to the **Show Ring** and enjoy him then put him to work in your **Breeding Program**.
