TRASH PICK UP INFORMATION

- **Trash and debris left at the curb days in advance of scheduled pick up days is not only an eyesore for visitors and neighbors, it provides a food source for wild animals, crows and rodents. Whether you are new to our community or a longtime resident we hope you will find this information useful and will keep it handy for future reference. Trash bags, trash containers and recycling bins may not be left or stored in common view, except on trash collection days.**
- **TRASH collection days are Monday and Thursday. Place trash out for collection ONLY AFTER DARK on Sundays and Wednesdays or early on Monday and Thursday mornings.**
- **PLEASE use tightly closed heavy-duty black or green trash bags when placing trash at the curb. Do NOT put trash out in white kitchen bags or typical grocery store bags. Tightly closed trash bags or bins deter birds and animals and help keep the wind from spreading your trash throughout the community.**
- **RECYCLING is picked up on Mondays ONLY. Do NOT put cardboard or other recyclable materials out at any other time.**
- **GARDEN TRASH is picked up ONLY on WEDNESDAY mornings during the spring and summer months. Tree and bush branches should be cut in 4' length and tied in a bundle. Please use clear plastic bags or recyclable paper yard trash bags.**
- **If you need to schedule a special pick up for any bulk items such as moving trash, appliances, or other household furnishings, please call Republic Services at 703-818-8222 at least one day prior to regular trash pick-up day to schedule it and get a price quote.**
