(1) Except as provided in the Subsection (2), each person or entity who/that purchases or otherwise becomes the owner of a Lot, whether by deed, by a Trustee's deed upon Sale, by a deed in lieu of foreclosure, or any similar means, on or after the recording date of this Second Amended Declaration, shall pay to the Association, immediately upon becoming the owner of the Lot, a Transfer Fee in an amount equal to half of the annual assessments for that fiscal year. The amount of the Transfer Fee may be increased by the Board from time to time after this amendment is recorded, provided any such increase is approved by 51% of the members.

(2) No Transfer Fee shall be payable with respect to: (i) the transfer or conveyance of a Lot by device or intestate succession; (ii) a transfer or conveyance of a Lot for estate planning purposes; or (iii) a transfer or conveyance to a corporation, partnership or other entity in which the grantor owns a majority interest unless the Board determines, in its sole discretion, that a material purpose of the transfer or conveyance was to avoid payment for the Transfer Fee in which event a Transfer Fee shall be payable with respect to such transfer or conveyance.

(3) All Transfer Fees shall be deposited in a separate reserve account, not commingled with any other funds of the Association (other than reserves), and shall be deemed a contribution to the capital of the Association. Transfer Fees shall be non-refundable and shall not be considered as an advance payment of assessments.

(4) Transfer Fees shall be exclusively used by the Association as required by Arizona revised statute 33-442 for the construction or installation of buildings on the common area or for additions, repairs, maintenance or other improvements to existing buildings or other improvements on the common area. All of the expenditures of Transfer Fees as herein provided are hereby deemed and shall be construed to touch and concern the land which is appurtenant to the title of each and every Lot as provided in the Declaration.

XVIII MAINTENANCE OF PREMISES

In the event the owner of any Lot/Unit shall fail to maintain the outside of their premises and the improvements situated thereon in a manner satisfactory to the Board of Directors of Villa Monterey Recreational Association, the Association, through its agents or employees, shall have the right to enter upon such Lot/Unit and to repair, maintain, rehabilitate and restore the premises and the exterior of any improvements situated thereon, and the costs thereof shall be charged against the owner of said Lot/Unit by invoice and made a lien on said Lot/Unit and foreclosed if necessary. Prior to entering upon a Lot and exercising the rights set forth in this Article XVII, the Board of Directors shall give the offending Owner fourteen (14) days written notice of the violation and an opportunity to cure the violation.

The Association shall also have the right to pursue any action, in law or equity, including injunctive relief, against any Owner who fails to maintain his/her Lot/Unit in accordance with this Declaration or who fails to otherwise comply with the provisions of this Declaration and/or any rules and regulations of the Association.

XX PARTY WALLS

The rights and duties of the owners of parcels within this subdivision with respect to party walls shall be governed by the following:

(A) Each wall which is constructed as a part of the original construction on the subdivided property and any part of which is placed on the dividing line between separate parcels of the various tracts in such subdivision shall constitute a party wall and with respect to such wall each of the adjoining owners shall assume the burdens and be entitled to the benefits of these restrictive covenants and, to the extent not inconsistent herewith, general rules of law regarding party walls shall be applied thereto.

(B) In the event any such party wall is damaged or destroyed through the act of one adjoining owner or any of his agents or guests, or members of his family (whether or not such act is negligent or otherwise culpable) so as to deprive the other adjoining owner of the full use and enjoyment of such wall, then the first of such owners shall forthwith proceed to rebuild or repair the same to as good condition as formerly without cost to the adjoining owner.

(C) In the event any such party wall is damage or destroyed by some cause other than the act of one of the adjoining owners, his agent, guests or family (including ordinary wear and tear and deterioration from lapse of time), then in such event both such adjoining owners shall proceed forthwith to rebuild or repair the same to as good condition as formerly at their joint and equal expense.

(D) In addition to meeting the other requirements of their restrictive covenants and of any building code or similar regulations or ordinances, any owner proposing to modify, make additions to, or rebuild his residence in any manner which requires the extension or other alteration of any party wall shall first obtain the written consent of the adjoining owner.

(E) In the event of a dispute between owners with respect to the repair or rebuilding of a party wall or with respect to the sharing of the cost thereof, then upon written request of one of such owners addressed to the Board of Directors of Villa Monterey Recreational Association, the matter shall be submitted to arbitration under such rules as may from time to time be adopted by the Association. If no such rules have been adopted, then the matter shall be submitted to three arbitrators, one chosen by each of the owners and the third by the two so chosen, or if they cannot agree within five days, then by any judge of the Maricopa Superior Court. A determination of the matter signed by any two shall be binding upon all persons.

(F) These covenants as to party walls shall remain in full force and effect until modified or abrogated as to any particular party wall by the agreement of all persons then having an interest therein.

(G) These covenants as to party walls shall be binding upon the heirs and assigns of the owners but no persons shall be liable for any act or omission respecting any party wall except such as took place while an owner.

All instruments of conveyance of any interest in all or any part of said subdivision shall contain reference to this instrument and shall be subject to the covenants, restrictions, reservations and conditions herein as fully as though the terms and conditions of this instrument were therein set forth in full; provided, however, that the terms and conditions of this instrument shall be binding upon all persons affected by its terms, whether express reference is made to this instrument or not.

XXII INVALIDATIONS

Invalidation of any one of these covenants, restrictions, reservations or conditions by judgment or court order shall in no way affect the validity of any of the other provisions and the same shall remain in full force and effect.

XXIII AMENDMENTS
