

Edwards Mosquito Abatement District Job posting

Larvicide and U.L.V. (Ultra-Low Volume) Fogging Technician

Full Time-Seasonal

No experience required, will train!

Compensation: \$14.00/hour. Wage will be negotiated with experience.

- Edwards Mosquito Abatement is looking for someone to help out our day/evening operations. This position is seasonal with 40+ hours a week. Great summer job!
- You will be inspecting and treating water in fields, marshes and wetlands mosquito larvae. You will be out in the heat carrying heavy equipment over uneven terrain
- You will also be given study material for the Idaho Pesticide Licensing exams. We will pay for the exams, your time to take them and the license itself.
- If hired, we strongly encourage our seasonal people to return year after year with pay increases possible.
- This position will offer health insurance benefits.

Qualifications:

1. Need to be able to pass Idaho Professional Pesticide Applicator Licensing exam (with Public Health endorsement). The District will help you study and will pay for exams.
2. Flexible schedule
3. Must possess a valid Idaho driver's license with a clean driving record.
4. Must be at least 18 years old
5. Must be able to physically meet the demands of the job
6. Must be able to carry up to 50lbs of equipment and product periodically throughout the hot days
7. Must be able to pass pre-employment drug testing
8. ATV experience a plus

Example of Duties:

- Surveys all mosquito producing sources within assigned areas, on a weekly or more frequent basis, such as: irrigated pastures, wet-lands, salt grass swales, roadside ditches, golf courses, drainage overflows, catch basins, gutters, artificial containers, tree holes, etc.
- Effectively communicates with the public on mosquito control practices, as with those regular citizen/property owner contacts, which frequently occur
- Operates equipment, such as ATV or mule, pickup trucks outfitted with powered and hand spray equipment; keeps equipment in a clean and professional appearing condition, and may be assigned to assist in simple maintenance and repairs
- Submits accurate reports of work done including type of treatment, vector population information and other pertinent history about his/her work area
- Assigned as needed on other duties relevant for the District, will operate ULV adulticide equipment between dusk or dawn as directed
- May be assigned to various activities as needed, i.e. mosquito trapping, bite counts, simple 'housekeeping' tasks, maintenance tasks, painting, and assisting in receiving and maintaining stock inventories
- Attends training sessions; reads District manuals and otherwise keeps informed of policies and procedures; keeps Manager informed of progress and problems.

Please send us a resume and download the employment application off our website www.emad-donnelly.org under "contact us/work for the district", and [email](#) it to us with the job title in the subject or mail it to us at EMAD PO Box 561, Donnelly Idaho 83615 or bring it by the office at 13099 S. Norwood Rd in Donnelly
