Mr. Robert Kennedy

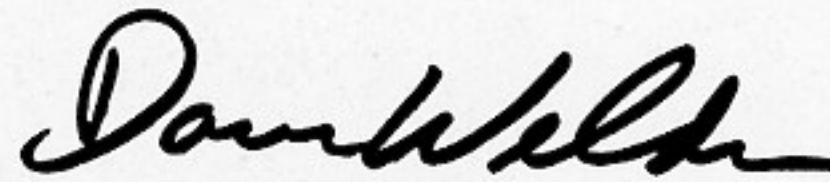

Dear Mr. Kennedy:

Thank you for contacting me with further information on male circumcision. I appreciate the information.

The legislation proposed by MGMbill.org has not been introduced in Congress. Should Congress consider addressing the issue of male circumcision or hold hearings on this issue, I will keep your support for MGMbill.org's proposal in mind.

Thank you again for contacting me. If I can be of assistance to you in the future, please let me know. It is an honor to serve you in the Congress.

Sincerely,

Dave Weldon
Member of Congress
