Dear Jim and Susan,

Thank you for the improvements you have made in my dental practice through the many years we have worked together. I believe the practice has transitioned well and is now on a solid footing, thanks to your expertise. I would like to terminate our working relationship but not our friendship.

Please feel free to use my name should you want a positive referral with any of your clients. It is easy to provide multiple examples of the benefits we have realized. I would highlight the improvement in communications between myself and the staff. Developing a sound business structure with reasonable staff expectations and goals was critical to moving this practice forward.

I look forward to our ongoing friendship and should I be able to help you in anyway, please do not hesitate to call.

Sincerely,
