

finy  **LINE**TM

Finyl Line™ T-Top and Deck Top Railing

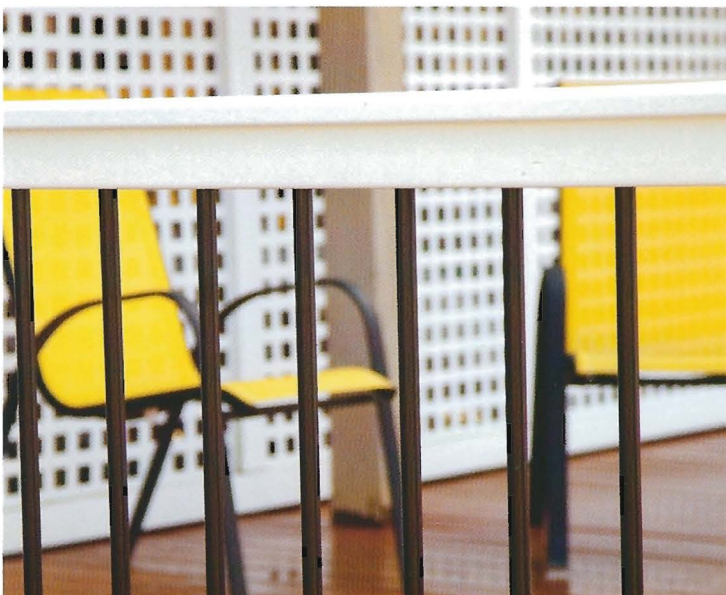

Finyl Line™ low-maintenance vinyl railing, reinforced with strong aluminum, adds character to your home while providing exceptional safety and security. Easy to install and code compliant for residential (IRC) & commercial (IBC), **Finyl Line™** is sure to meet your railing needs.

Finyl Line's™ traditional T-Top rail provides exceptional durability and strength to the railing system and vinyl brackets with snap-on bracket covers conceal all hardware for a clean, polished look.

Looking for something a little more custom? **Finyl Line's™** Deck Top profile allows you to customize your deck by installing a deck board on top for a nice practical top to put drinks on. Run your deck board from post-to-post or streamline the look by running the deckboard completely over the top of your posts!

You can also select your **Finyl Line™** railing to suit your personal style quickly and easily with your choice of traditional square, elegant turned and classic round aluminum balusters with kits available in White, Earth, or Sahara. **Finyl Line™** is supported by a full range of accessories including post sleeves, post caps & trims, and LED lighting options.

Finyl Line™ is backed by a limited, lifetime warranty.

For custom angles, the internal adjustable joiner allows you to create the angle you need from 0° to 90°, ensuring a strong metal connection at your angle.

90° corner creates a smooth corner wherever you need it while eliminating miter cuts.
