

2018 ROUND 4 ~ July 14 & 15

LEAD FARM ~ Versailles, MO

Presented by: LARRY'S MOTORSPORTS

We have a brand spankin' new, 100% fresh, never been raced on property to go play on this weekend!! Tons of awesome dirt with not very much rock – fun & flowy trail – and we've even got a big creek section with plenty of water to splash through!!

4.2 miles on Saturday and 6+ miles for Sunday. Most of the course is in the woods where there is some moisture and we have some unique features that the track goes over & around.

The 50 course is totally separate from the other tracks and is all in the woods (marked with green ribbon).

65/85/Ladies course (purple ribbon) has a lot of their own trail and shares the end with the big bikes.

Big swimming hole to enjoy & cool off in – plenty of parking – concessions Sat & Sun (please support Lu's food truck).

It's going to be hot. Drink plenty of water – stay in the shade – pay attention to your body – and to your fellow riders. Highly recommend using a hydration system of some sort.

Due to the expected heat, we are changing up Sunday's schedule just like last round...
