THE BALANCE CLASS will take place and will start Wednesday, June 27<sup>th</sup>. We can still take 4 more for this class. Call Val at 547-2920 in the morning if you are interested. I will remind everyone signed up at least a week before it starts.

Have you ever felt down because someone you love doesn't keep in touch as much as you think they should? Then you remember they are very busy with their lives, but you still think they could take a few minutes to call to say hello and hope your okay. I wonder if God feels the same way when we fail to keep in touch with Him? Maybe we think He doesn't have feelings?

You cannot change one moment of your past, but you can change your whole future. Now is your time!

Many times each year we hear about tragedies that have happened. It seems each time someone ends the story with some mention of asking God to help us. It seems we always turn to God during those moments. But after a few days we go back to our same routine and don't connect with God again until the next tragedy. Maybe we should be more pro-active and pray each day asking for help and guidance AND to say thank you Lord for all you do - not just for me but for others also.
