Dear Consignor:

The Mommy Market is your place to sell things “not for kids. It’s moms’ place to shop for friends, family or for her well-deserved self.

The Mommy Market is a small section designed at our Nassau Event (this is not available at Suffolk at this time). As such, space is limited so please read through the acceptable items carefully so you don’t waste time entering and tagging items that we will not accept.

In this quick guide, you will learn:

- What you can and cannot sell
- How to enter items going into the Mommy Market
- Quality Guideline and Price Value Guidelines

We hope you enjoy this added opportunity to clear the clutter and earn cash.

All The Best –

Gail

TKK Event Coordinator
