Observance of The Lord's Supper Sunday, June 2

Join us for Morning Worship and participate in the Lord's Supper on June 2. Observance of the Lord's Supper is a way for us to renew our commitment to our Lord, Jesus Christ.

The Pastor's Pontifications

Memorial Day has come and gone, and we are now officially into summer, even though the first day of summer is not until Friday, June 21st. That day is dubbed the "Summer Solstice." The solstice occurs when the tilt of the earth is at its maximum toward the sun. Each day after the solstice, the sun begins its journey back toward the north. If you are like me, when you study about the movements of the earth around the sun and the tilt of the earth, I am overwhelmed with all of the scientific information. So, I have devised a simple approach to these issues. God set the earth in orbit and that's all I need to know! His plan is perfect, and it has been working brilliantly since "the beginning." You can set your clock by His magnificent plan and we should never forget who set this world in its place and who controls each detail.

So, with more daylight and energy all around, put

your time to good use.

First and foremost, please pray for our country, our state and our city.

Persistent prayer will cover over a multitude of ineptness from Congress in Washington, to Congress street in Austin, to the City Council, and to the Commissioners at the Courthouse in Midland.

We must be daily bombarding the throne room with petitions and prayers for wisdom, courage, strength, and God's will.

Don't waste the extra daylight that our government has so graciously granted. Be in constant prayer and meditation about the divisive, disruptive verbiage that is emitting from our leaders. Pray for unity and harmony. Pray that our founding fathers' intentions and desires will ultimately be fulfilled in this great nation.

Never forget the sacrifice that our forefathers made in organizing and defending this great country. Also, we should never

forget the sacrifice of our church fathers as they defended the freedoms that we enjoy today.

Persecution of Christians is not a fact that we read about in history books; persecution is real today all around the world. Lest we forget, Christians are being bombarded with jabs and rhetoric on a daily basis here in the USA.

Pray unceasingly!

Whatever it takes!

~ Bro. Glenn
