SUBJECT: ARTICLE #13B Jamaican Culturale

TO: Governor Andrew M. Cuomo Office
New York State Executive Chamber
State Capitol, Albany, NY 12224

Dear Governor Cuomo Office, Greetings to you;

I AM Paulett Angella Hemmings EARTH, CHREATOR OF THESE EARTHS AND THE ONLY CHREATOR OVER ALL CHREATIONS. I AM THE CHREATOR OF LIFE AND OVER ALL LIFE, DEATH, AND ANYTHING INBETWEEN. NO PERSON OR THING IS HIGHER THAN I AM. MY LAST NAME IS EVERY LAST NAME IN THIS EARTH AND ALL MY CHREATIONS.

All Articles are COMMANDS from ME (the Highest I AM). My words or my speech are my COMMAND. Every and all Directions, Guidance, Plans, Rules, Orders, Commands, Comrandas, Decrees, Decrymiumms and higher can never be disobeyed. If you do, you have serious penalties including charges and sentences on you.

Jamaican Accents

The true accent of this Earth and these Earths is first Jamaica English accent; although, the devels removed many things from the Jamaican voice and speech like the build-up, the click, the twang, the pep, the twist, the rhyme, and more.

The next true accents of this Earth today, after Jamaica, are Trinidad, Tobago, Antigua, Barbados, Nevis, St. Kitts, Bahamas, St. Lucia, Grenada, Guyana, Dominica, St. Vincent, Grenadines, Barbuda, Montserrat, and all the other English-speaking Caribbeans or West Indians. All the States/Countries of this Earth speak different Jamaican Accents, and that is how the Earths are to be.

Everyone, all levels, and rankings of Lives in this Earth and These Earths, speak a form of Jamaican Language and has their own Jamaican accent that is unique to them. There are many different and similar Jamaican Accents. Our main Language is English. The English Lot/England was stolen and removed by the British. The English Lot is the main place for the root of our English language and has books for all the different English Language root and accents.

The devels put voice changers on your backs from generations to generations and the devels have gotten very advance with these voice changers over the thousands of years that the earth esisted. This Natural natural Earth elevation that is tied up, has died many times and restarted, as the devels like to kill and destroy and our lives have no value to them.

Music

The first true music of this Earth is whatever the Jamaica West Indies put together, or publish. All Jamaican music is what all the States/Countries in this Earth must know. They can learn the accent and the meaning of words from the songs. Everyone in this Earth must know the Jamaican language, the meanings, and learn to speak the Jamaican English with the accent in the best ways they can. The other Caribbean Islanders and West Indians who already speak Jamaica English and maintain their accents must continue to use their accents.

All original Russian States are always Russians. Those Russian States that have gone independent are called Russian Independent States with their names in front; for example, Yugoslavia Russian Independent State. The states are not to separate themselves from their origin or else the younger ones will lose their identity, and that should not happen.

All airport clubs and Lounges are to be renovated. I have free access to all airport clubs and lounges. I have free access to the airport hotels, airport parking, airport day hotels, airport hourly hotels, and all airport ways to relaxation.

Joyful Occassyns enjoyment

When there are occassyns to publicly enjoy a day, and music is playing, you are all invited to dance to the music by gyration: winding, grinding, moving shoulders, moving feet, moving arms, and rocking to the beat and rhythms of the musical sounds. You can create your own dance movements whether coordinated or loose.

Clothing

You are to wear shorts, short skirts, short dresses, fitting clothes, belt around the waist if part of your clothing, short sleeve tops, or dress in your ways of dressing to please yourself. Wear comfortable clothing you like.
