

BECOME A 2021 CSA MEMBER

12 Huff Lane Asbury, NJ
(Bethlehem Township, Hunterdon County)

What is a CSA?

A Community Supported Agriculture (CSA) consists of a community of individuals who pledge support to a farm operation where the growers and consumers share the risks and benefits of food production. Our CSA is of a system of weekly pick up, at our farm stand, of seasonal, naturally grown fruits and vegetables.

Our 2021 CSA is expected to run for 20 weeks from around the beginning of June through mid October.

How does our CSA work?

Each week you will pick up your share of freshly picked produce that is currently in season. Typically a weekly share is enough for a family of four. If one share is too much for you, a great option is to split a share with friends or a family member.

*Market pick up locations available are
Union Square Market every Monday or Friday
Brooklyn Borough Hall Market every Saturday
or Van Vorst Park every Saturday*

Applications available at our market stands or on our website

www.centralvalleyfarm.com (under the produce & csa tab)

I appreciate locally grown produce and want to ensure that it remains available in New Jersey by becoming a shareholder in Central Valley Farm LLC community supported agriculture. I understand that the Central Valley farmers will do their best to provide the farm fresh produced vegetables they propose at the time they estimate. However, as a shareholder in both bounty and risk, I understand that nature ultimately decides what I receive and when I will receive it.

I have read and understand the shareholder agreement. I also understand that I enter onto the property of Brian and Bobbie Huff at my own risk. The property owners and their employees will not be responsible for any property or physical damages incurred to me or my guests.

SIGNATURE _____ **Date:** _____
