Robin welcomed everyone and asked if there are any new GSR's.

Secretary Report: Previous months minutes read by Lauren – copies were distributed and reviewed.

Motion to accept by Bianca seconded by Bill

Treasurer Report: Treasurer's report was distributed and reviewed by Craig F.

Craig – we have an outstanding bill with region for about \$944 for literature from last month. I had a conversation with James and the lady at the RSO about our literature. James did a really good job this month, he got everything and our bill is half of what we usually spent. After looking at passed reports and donations, we had more groups participating so we had more money coming in.

Motion to accept by Bianca and seconded by Sarah

Policy and Procedure: John – Policy didn't meet this month. We have proposed a new policy, since we went over the new one we realized the policy really wasn't functional. We did propose some changes on the website 2 months ago to make it more function, they are highlighted in red. I'm going to ask in old business that we go ahead and approved that tonight so next month we can actually hand out copies to the new GSR's or anyone who doesn't have it and it will be on the website. It still needs a lot of work, there are still a lot of items that needs to be addressed but for now it'll keep us going without fighting over everything that comes up so you'll hear from me again in old business about that. And my commitment is up today, so if anyone is interested in working on the policy, most of the work had been done, it's just review that has to happen I recommend it.

**OLD BUSINESS:**

Robin – we had no motions from last month, John do you want to go over policy? Also if you have new motions they need to be in by now.

John – yeah it’s been up for 2 months on the website, hopefully some of you had a chance to look at it. The changes are stuff that should have been in the policy, it was either missing or it wasn’t worded properly. Just the way it’s been sitting up there I’d like to move to accept the changes and make it our policy.

Robin – okay that’s the motion – to move to accept the policy as recommended.

Shouldn’t that go back to the groups?

Donna – can you just tell me what the changes are?

John – there’s so many of them. But here’s the thing, there are elections tonight and I may not be here next month but I would motion to table it but it will double the length of this meeting if we have to review the whole thing. It’s all very simple stuff, either punctuation or something that didn’t come out of this revision.

Laura – if we didn’t bring it back to the group for a vote, can we still vote on it?

Robin – yes, you’re the trusted servant.

John – yes but anyone who wasn’t here last month I’d be surprised that it wasn’t brought back.

**Policy and Procedure Committee Report.....April, 2017**

**Policy and procedures did not meet this month quite frankly because none of the members were able to attend.... I did complete the review of old minutes and policies and have a sheet of changes to submit for informational purposes.**

**RATHER THAN TO TAKE UP ½ THIS MEETING GOING LINE ITEM FOR ITEM, I'D LIKE TO TRY POSTING A COPY OF THE PROPOSED UPDATED AND REVISED POLICY ON THE WEBSITE AND ALLOW MEMBERS TO REVIEW THEM AT THEIR LEISURE.**

**I WILL BE HAPPY TO TAKE CALLS AND ANSWER QUESTIONS BUT ALL DECISIONS NEED TO COME THROUGH THE ASC MEETING**

**All changes will be highlighted in red on the proposed copy and are items that were either accidentally removed or items that never made it to the policy such as: new business for Months when the ASC had no secretary or minutes published...These changes as well as the updated policy will be available for review on the website within a week or so. Although we do not need to vote on each item, since everything in there has already passed area conscience, I will be calling for a general approval next month in the form of a motion..SO PLEASE, TAKE THE TIME TO GO ONLINE AND REVIEW THE POLICY....if there are any items that need clarification or discussion, They should be brought up by GSR's as a redress in Old Business portion of May meeting and we'll get a new conscience on them.**

**Lastly, I would again like to say that if we're going to work hard on getting this detailed policy and procedures completed and approved, It is worthless if each trusted servant doesn't take the time to become familiar with both our ASC policy and the guide to local service in NA, whichever chapters pertain to their commitment.**
