

Chef Manda Palomino

Chef Manda is a current Hell's Kitchen season 15 contestant as well as a local chef at the CupKing Café (<https://www.facebook.com/thecupkingcafe/>) Amanda is excited to begin working with Chefs with a Mission.

Manda hopes to bring awareness to a number of issues that many young adults face including nutrition and cooking with restrictions. Manda was diagnosed with Celiac Disease during her childhood. As a chef and a single mother of three, Manda can relate to many of the obstacles that we all face both in and out of the kitchen. Manda plans on using her experiences to encourage and empower local kids and families.
