

Costume Fitting Schedule as of 11/5/18

This year we are trying to give you an opportunity to get a picture of your dancer in costume when we are doing costume fittings.

We will be fitting dancers in costumes at the studio according to the schedule below.

Times are scheduled either just after their rehearsal time or just before their rehearsal.

Parents may take a photo of their dancer in costume at this time only.

Parents must wait by the ramp and will be notified when their dancer is ready for a photo.

Photos must be taken quickly so as not to delay the process.

Dancers with conflicts to fitting (i.e. if more than one part) will be fit in after their last rehearsal.

NOTE: Parents are not allowed to go into dressing room at theater unless they are working there and dancers may not leave the dressing room in costume!.

Fittings/Photos 11/10
