

February 2017 Newsletter

Letter from the Presidents

Is it just us, or is 2017 flying by? Of course, the spring-like weather makes it feel more like April than February. Spring break is coming up quickly.

We have started getting emails from parents whose sons and daughters have been accepted into the Class of 2021. We hope to meet several of the admissible cadets and their parents at the upcoming Founders Day Dinners and would love to have some of you join us.

Special Congratulations to the Firsties - 100 nights and counting!

As our term winds down, the Club is in need of 2019 parent(s) to step up to serve as Presidents next year. It is crucial that someone steps up for this important role. We have streamlined things to minimize the time involved and are hoping to have some overlap with the new presidents so we can share information over the next few months. Please contact us if you are able to serve the club for the next school year at wppccolorado@gmail.com. If no one contacts us, we will start making calls!

See below for information about upcoming events.
