Flip flops, sneakers, boots, or heels.  
It doesn't matter. Standing beside each other does.

## WHEN GIRLS SUPPORT EACH OTHER, INCREDIBLE THINGS HAPPEN.

Girls have great ideas and can make awesome leaders, but when they're not supported, or are discouraged from stepping up, the world misses out on their talents, strengths, and uniqueness. Let's create a world where girls are celebrated, encouraged, and supported! When you support girls in your classroom, on the field, and in your community, you're helping to change the culture so every girl can reach her fullest potential. *Join girls across the country and pledge to #standbesideher.*

## START EARLY. START NOW.

*Stand Beside Her is a rally cry to inspire girls & women to stand up for each other and commit to ending unhealthy comparisons that divide & tear us down. We all know that feeling. By celebrating each other's talents and successes, we all rise — one courageous, confident girl & woman at a time.*
