### Chicken Permits

The Village recently passed section 6-35 of the village code allowing up to five (5) hens, no roosters with a permit. Permit and ordinance information can be obtained from the village office during normal business hours or requested to be mailed to you.

**If you've already obtained chickens prior to approval you will also need to get a permit immediately.** There is a fine for unlicensed chickens so please get your permits in. If you have any questions please contact the office.

### Off-street parking in residential areas

**Per village code section 58-160, all vehicles parked in a front yard must be on a driveway or hard surface; parking on front lawns is not allowed.**

In addition, any vehicle parked anywhere on a residential lot must display current plates and be operable. Please be conscientious in your neighborhoods!

### Chandler Park Beach

The Village has put a lot of time, effort and resources in to making the beach and Chandler Park even more beautiful than it already was. Please help us by keeping the new amenities in place. These items are the new swim buoys, ropes, signs, tables, and other Village property. These are not designed to be climbed on, moved or tampered with in any other way.

### HWY 22 / Main Street Construction Project

The WisDOT contractors are currently replacing curb & gutter and sidewalk along N/S Main Street at the designated locations. The bridge replacement over the Fox River bridge on HWY 22 is on a slight delay but is not anticipated to hold up the asphalt paving schedule. Northeast Asphalt is scheduled to start paving the north end of the County line the week of August 3<sup>rd</sup>. They should be coming through Pardeeville the week of August 10<sup>th</sup> if the bridge is completed (should the bridge NOT be completed by the August 10<sup>th</sup>, they will skip over Pardeeville and continue south with paving, return to Pardeeville once the bridge is done).

Details and information are posted on the website [www.villageofpardeeville.net](http://www.villageofpardeeville.net)
