JOHNS SANITARY
BRUSH DISPOSAL

Brush and leaves will be accepted starting May 1, 2020 at the Golf Course Rd. location. We have a new location and policies for brush and leaf disposal.
All loads must be inspected at the office before dumping. No Exceptions.
Monday - Friday • 7:00 AM - 3:00 PM
We have had far too many people dropping unwanted disposal items with the brush and need to monitor this process more closely. This is a free service for the community. Please respect our policies.

North Shore Minnesota Appreciating Our Volunteers

By Nancy Frischmann,
RSVP Program Coordinator, AEOA

The month of April is typically the month in which we celebrate and recognize the enormous contribution that volunteers make to our local communities. We celebrate through Volunteer Fairs, luncheons, and the annual National Volunteer Appreciation week, which runs from April 19th through the 25th this year. Local businesses, restaurants and organizations have thanked volunteers through discounts, gifts, and special offers. Unfortunately, this year our celebrations will have to be postponed in order to keep our community members and volunteers safe from the spread of Covid-19.

It is almost impossible to quantify the value of volunteer contributions and efforts in Northeast Minnesota. As program coordinator for Northland Volunteer Center and RSVP (Retired and Senior Volunteer Program) through AEOA, for Lake and Cook Counties, I work with over 40 nonprofits that rely on volunteers to deliver services, provide opportunities and celebrate our wonderful heritage and resources. Nonprofits including food shelves, Meals on Wheels, Ruby's Pantry, senior service organizations, care centers, education, nature centers, state parks, radio stations, art centers, folk schools, libraries, Veteran's Home, exercise classes, local festivals, quilting groups and more are dependent on our amazing volunteer base to keep our area vibrant, welcoming, and livable for residents.

According to the hours we track through RSVP and Northland, volunteers contributed over 36,700 hours in 2019. The value of each volunteer hour is estimated by the Independent Sector to be \$25.43; thus, volunteers contributed over \$930,000 of time, talent and caring to vital non-profit organizations. And the amazing fact is that this represents only a portion of all volunteer effort in this area!

The economic value is undeniable, but it is truly the heart and the passion volunteers give that make them the bedrock of our wonderful region, and the fundamental strength on which our communities are based. At each volunteer site I've visited, I have seen laughter, compassion, cooperation in helping others, sharing of talents and interests, and the type of collaboration which gives us heart during troubled times.

Without our volunteers, many people could not stay in their homes, find affordable food options, enjoy our trails, festivals, and attractions, enjoy free exercise classes, listen to wonderful radio programs, learn from our museums, folk schools and libraries. I cannot thank our volunteers enough! As we go through April, please remember to thank someone you know who volunteers and consider how you, too, may be able to help out in the future and join this wonderful group of caring citizens.

It is with a heavy heart the Silver Bay PTSO has decided to cancel this year's Salmon Classic due to the Covid-19 pandemic. We are excited to keep working hard to bring it back bigger and better in 2021. Thank you to our loyal fishermen, donors, and volunteers that support this amazing fundraiser which supports our William Kelley Schools. Stay tuned for other fundraisers coming this Fall.
