Municipality of Springfield Arenas

## Introduction

This document is intended to guide staff, volunteers and users of the Oakbank Community Club and the Hazelridge Sports Complex. The goal is to ensure the facilities and user groups are in compliance with the current guidelines set out by the province of Manitoba.

## Novel Coronavirus and COVID-19

COVID-19 stands for Corona Virus Disease. COVID-19 spreads through direct contact with the respiratory droplets of someone who is infected with the virus. These droplets can spread up to two meters/six feet. It may be possible for a person to get COVID-19 by touching a surface or object that has the virus on it and then touching their own mouth, nose, or possibly their eyes.

Symptoms of COVID-19 are like other respiratory illnesses including the flu and common cold. Common symptoms for COVID-19 include: fever, chills, cough, shortness of breath, sore throat and painful swallowing, stuffy or runny nose, loss of sense of smell, headache, muscle aches, fatigue, and loss of appetite although symptoms may vary from person to person. Some people may experience mild symptoms, while others have more severe symptoms. If you have COVID-19, or think you might have it, help prevent spreading it to others by self-isolating for 14 days from the start of your symptoms. If you are sick, stay home.

## Arena Facility Protocols – **Masks are Mandatory as of Sept 8 2020**

- Self-screening for coaches, instructors and participants must occur before entry into the facility. Please use the provincial screening tool available at <https://sharedhealthmb.ca/covid19/screening-tool/> or in Interactive Voice Response (IVR) format at 1-877-308-9038. Building Entry
- Each facility user will be required to keep a list of the members of their group and contact information for 21 days to ensure appropriate public health follow-up can take place if a participant is exposed to Covid-19.
- Please stay home if you or any of your household members are experiencing any symptoms.
- All bookings must be arranged through the Facility Manager:
