

Sonora Sunrise Rotary Club

Weekly Bulletin

Week of: August 10-16, 2016

Meetings: 7AM Wednesdays at Pine Tree Restaurant in East Sonora

Guest Speakers:

Frank Smart" 911 Terroism Memorial in Tuolumne at the Memorial Building:

Frank discussed the promotion, development, and placement of a memorial of the 911 Terrorist attacks, as well as the terrorism issues in general. He explained how a plan is in the works to have a memorial area designed and developed in remembrance of those incidents and personnel involved, and to include a time capsule. For more information, contact Frank.

Lee Thoma: Ninos de Lagos/Guatemala Youth Camp: Lee updated our members on the youth camp to which we donated funds to assist in renovating the kitchen a couple of years ago. He discussed the dilemma of education there, the need for continued support, and the benefits to the children through the work of the camp. He was asking for support of \$1000.

Sal Estrada: Administrator of Avalon Care Facility: Sal (a guest of Paula J.) introduced himself, his background, his journey and impacts along the way so far. The club invited him back (which we graciously accepted), with the thought of becoming a member. He explained the impact of a card he carries..."How can I help? I can do that". He is establishing this philosophy at Avalon, and building the passion of service to those whom they care, and beyond.
