

Education March 2024

The 2nd semester is under way! Each month I am focusing on one of the areas mentioned in the August newsletter. This month: **Assist and support military children with educational opportunities.**

There are several ways that Members and Units can assist military children with educational opportunities:

- Identify and reach out to military children in your local classrooms.
- Encourage Junior members to contact their school guidance counselor and volunteer to be a mentor to new military children at their school.
- Offer individual tutoring/assistance to a military child who is struggling.
- Provide your local school with a copy of the *Educator's Guide to the Military Child During Deployment*:
[Educator's Guide to the Military Child During Deployment | National Center on Safe Supportive Learning Environments \(NCSSLE\)](#)
- Inform schools of a free tutoring website for military children: [Free Tutoring for Military Spouses & Families - Tutor.com & more \(mymilitarybenefits.com\)](#)
- Assist schools in working with military children. Resources are available at www.militarychild.org
- Organize a classroom recognition event for military children to share the accomplishments of their relative who is serving.

I look forward to hearing how your Units promote the Auxiliary education programs throughout the school year.
