

## City of Thorsby Swedish Festival

The Thorsby Swedish Festival is asking the businesses for their support by purchasing an ad in our program or sponsoring our car show or 5-K run. With your support we are able to put this money back into our city to make it more family friendly. We have previously used the money to fix up Richard Wood Park, help the school with an electric sign and curtains for the auditorium, help repair Helen Jenkins Chapel, buy equipment for the police department, and put up a "Welcome to Thorsby" sign.

The prices for the ads are as follows:

1/8 page \$40, all three \$125

1/4 page \$70, all three \$155

1/2 page \$100, all three \$185

Full page \$150, all three \$235

Full page ad and full car show sponsorship \$505

The price for car show sponsorship are as follows:

Full sponsorship \$300

Specific class \$30

The price to sponsor the 5-K run and have your name put on shirts is \$75.

If you choose to do all three we will deduct \$20 from your total

Again we thank you for your support and the community appreciates your help in making our city a family friendly place to live.

Thank you,

Rachael Edge                      Kathy Johnson
