**If I already hold state certification but am applying for a new certificate, do I need DASA training?**  
Yes.

**Who needs to complete DASA training?** All newly certified coaches, school professionals (teachers, paraprofessionals, counselors, psychologists and social workers) who are applying for state certification after December 2013 must take this 6 hour course. This includes members who are applying for new certificates (for example, paraprofessionals going from a Level 1 to a Level 2 or 3).

Proof of completion will be electronically reported to your TEACH Account three weeks after the workshop is completed. You get a certificate on the day of the workshop.
