EVENT APPAREL

Special 50th event Jerseys and T-Shirts can be ordered in advance of this ride. Sizes and styles are noted on registration forms. Check our website for final dates to order apparel for delivery by event date.

REGISTRATION PICK-UP

Avoid the last-minute rush on the morning of the ride by picking up your registration packet the night before from 4:00 P.M. to 8:30 P.M. at the MCPA. This is always a great time to meet old friends and make some new ones. Packet pick-up Sunday starts at 6:30 A.M. and closes at 9:00 A.M.

HELMETS REQUIRED

For your own safety, we **REQUIRE** that you wear a helmet while riding on this bicycle tour. Please take responsibility to maintain your brain.

The 50th annual HANCOCK HORIZONTAL HUNDRED will return to its roots with a tour of Hancock County Ohio. This year's route will follow much the same route that was used in the early 1970s. From the late 1970s when the HHH was the largest single-day Century tour in America until now, the HHH has maintained its high standards and attention to details. The exceptionally smooth, lightly-traveled roads of the "Old Mill Stream" countryside and the outstanding organization by the Hancock Handlebars make this tour a fine example of everything a tour should be (except hilly). Distances of 17, 29, 65 and 100 miles will be available. (Actual mileages are subject to change)

2020 Feature Attraction – Ice Cream Social from 6:30 to 8:30 pm during Saturday Evening Registration and from 12 to 4 on Sunday. (Until we run out) Enjoy several varieties of ice cream and the camaraderie of other bicyclists.

Ride proceeds help fund local recreational trails.

FLAT TERRAIN - The Hancock Hundred is well known for its horizontal terrain. This year's tour will uphold that tradition. Again, the biggest "hill" on the route will be an interstate overpass.

WELL-MARKED ROUTE & MAP

The HHH prides itself on redundant route marking. You will find arrows at every intersection well in advance of every turn. Turn-around arrows indicate that you have missed the turn. This year's rider maps will be reminiscent of years gone by.

SMOOTH ROADS

The county and township roads in Hancock County are a cyclist's dream. The pavement is smooth and well maintained and you will find very little traffic.

CHOICE OF DISTANCES

We offer you a choice of four distances with routes of 17, 29, 65 and 100 miles. The 17 / 29 mile routes will have an R&R (Rest and Refreshment) stop. The 65 & 100 mile routes will have morning and afternoon R&R stops plus a lunch stop.

ROUTE OPENS at 7:30 A.M. We suggest those wishing to try for time should depart BEFORE the majority, but it is up to you to keep track of your time. Please note rest stop hours and realize that if you leave too early, the rest/lunch stops may not be open. For those of you, who prefer to start AFTER the early starts, please be aware of the closing times of the refreshment and lunch stops. We suggest that only well-conditioned riders should start after 8:30 A.M. All riders must be off the route by 6:00 P.M.

WEATHER

September in Ohio is usually delightful, with normal highs in the 70s and lows in the 50s. Probability of rain is slight. But weather is unpredictable. Early morning temperatures could dip into the 30s and if it does rain, riders who are not prepared could risk hypothermia. Bring rain and cool weather clothes.

LUNCH STOP

Lunch will be served to REGISTERED RIDERS from 10:00 am until 2:00 pm at about the 50-mile point on the 65 and 100 mile routes. Lunch cost is included in the registration fee. Your Wrist Band will be your lunch ticket.

REFRESHMENT STOPS

Drinks and snacks will be furnished at scheduled times in mid-morning and mid-afternoon to all registered riders with ride identification. Other refreshments may be purchased from the few commercial establishments in villages we pass through.

MUSIC / ENTERTAINMENT

Weather permitting, we will have various musicians or other entertainment at our Saturday Registration and final rest stop. See our website for more information.

2020 SPECIAL COMMEMORATIVE JERSEY

SAG SERVICE (Support and Gear)

SAG vehicles will patrol the route for those riders whose need is justifiable. Available 7:30 am – 6 pm. First attention will go to those whose bicycles have had an irreparable breakdown. Last attention will go to riders who are simply tired. As on other major tours, each rider is his own mechanic. SAG wagons will not provide mechanical service. Some may have limited spare parts. The best "trouble precautions" are ones only you can provide by having both your bike and yourself in condition for a long ride. SAG wagon service CANNOT be assured if you start after 8:30 A.M. Since extremely light traffic is one of the reasons many ride the Hancock Hundred, CLUB and PRIVATE SAG WAGONS are encouraged to stay off the route and leap-frog the route to pre-arranged rendezvous points.

SHOWERS

Showers will be available at the MCPA, the host location. (Please bring your own towels)

PROFESSIONAL SPORTS MASSAGES

Massages will be available from the staff of the Wellness Center Sunday from 2:00 to 5:00 pm.

EMBROIDERED PATCH

HHH Patch: By request only (up to 250) registered riders will receive a multi-colored HHH patch.

VENDOR DISPLAYS

Several vendors will have displays from 4:00 to 8:30 P.M. on Saturday and early on Sunday. (DEALERS: SPACE MUST BE RESERVED BEFORE August 31st.)

Ride features are subject to change as our planning continues. Visit our website for updated features. www.HancockHorizontalHundred.com
