It's been a busy first six months of the year at Mount Crawford Dressage Club with some of our major competitions being run. At the end of March we once again were the hosts of three Interstate Judges for the 2021 EAC Animal Care SA State Championships. We are now in the process of organising Interstate Judges for our HOTY event in November which will come around before we know it.

The next two months will be CUR days, followed by a short break in August when the grounds are usually too wet. We will be back in September for the annual Charity Competition. We will have the usual colour parade with prizes for Juniors and Seniors. We are in the final stages for organising this year's Charity and will announce it and the theme colours ASAP.

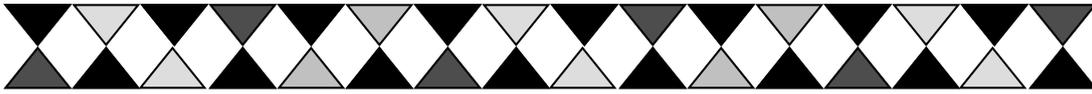

October is also a CUR day but with a difference, as this will be a Fun / Come and Try Day with different forms of dressage tests – pairs, Prix Caprilli, Pony Club and in-hand, as well as some regular classes. Copies of the relevant tests will be available on our website in the coming months.

In April we ran the Judges' Jackpot competition, an initiative of the Dressage SA Committee. This is held to encourage and enable Judges to qualify or upgrade, with cash prizes on offer for competitive riders. It proved to be a popular concept with a good number of entries and it was certainly encouraging to see some of our younger riders step up to take on the role of being Judges. A very positive boost for the future of our Sport.

Our Training days continue to be very popular. The April Training Day was with coach Denise Rofe. Denise instructed in horse and rider biomechanics, with the addition of some drill work. We also had a few people new to our Training Days enter, which was great to see. We are organising instructors for the next few months and so far have Anne Smith in June and Lucy Williams in July.

We had two competition in May. The 8th was another Championship event, this time the Club Championships, sponsored by Horseland Mount Barker and on the 22nd, a much smaller CUR day. We had perfect weather, enjoyed by all who took part.

It has come to our attention that there are several large holes in the float parking area, which makes it not only rough for driving but also dangerous as somebody, be it horse or human, could trip and potentially

fall. Work has been carried out to rectify this but we do ask that if your horse digs at the float to please fill in the hole before you leave. At all our competitions there is a shovel provided to fill in holes, so just pop in to the office to borrow it.

There is also evidence of litter being left on the ground, which is unacceptable as somebody has to pick it up. We are all volunteers and our groundsman has better things to do than clean up other people's rubbish. We will endeavour to place a bin in the float park, otherwise please take

your rubbish home rather than throw it on the ground. We do realise that not everybody does this and we do not want to have to take the step of patrolling the car park to find the offenders. **We also take this opportunity to remind you all that the MCDG grounds are strictly NO SMOKING.**

Something new this year for the CUR riders was the introduction of the Hobby Horse classes. When we have an Official Competitive Class on a day that also includes CUR classes Julie from Hobby Horse will donate a prize to the winner of 1 CUR class, selected randomly, (with the exception being Club Championships as there are already prizes on offer). So far we have had 2 recipients of Hobby Horse prizes, Melissa Heerebout winning the 1B at Dawn and Dusk and Sandy Wingrove winning Prep E at the Judges Jackpot. The next Hobby Horse class will be on November 13th and will be indicated on the entry form – watch this space!

A MESSAGE FROM THE PRESIDENT

Wow! I can't believe it - we are halfway through the year already! Clare Valley Dressage Club has had an action packed year so far which has included Ruth Schneeberger clinics, combined dressage and jumping days, as well as our Official dressage days. It is always great to see new faces and we have welcomed some new members to our Club this year. It isn't too late to join and we are now offering Day Membership. We provide classes for Ponies, Senior riders and Youth riders (18 years and under).

We have a lot planned for the next six months which, no doubt, will fly by. We are running our first ever Club Champs in November and our annual Freestyle To Music ride with Pas de Deux classes, which are always great fun. June sees our Lucy Williams clinic which is always a sellout, followed by our Unofficial Club Day competition on June 6th. Entries are now open via Nominate.

In early May we had fantastic representation from the Club competing in the 2021 Masters Game with super results.

Joy Salter gained a silver and bronze medal in the Novice, Jane Berry got 2 gold medals and Jane Weatherall gained a 5th and 7th place in a large field of competitors. Pemilla Burghart received 3 gold medals in the Novice and Elementary, 2 Golds for Lauren French in the Novice and Elementary, a gold and a silver for Alex Chapman and 2 bronzes for Kim Zohs. Brenda Scarfe placed 4th and Lisa Niteschke placed 3rd and 5th place in the strong Preliminary field. Jo Doyle received a gold, a silver and a 5th placing. The Sunday showing competition continued the winning streak for a haul of medals for Pemilla Burghart, Jane Weatherall, Kim Zohs, Jo Doyle and Lauren French. Well done to all!

We have also expanded our merchandise range to include soft shell jackets, long and short sleeve polos and vests. These can be ordered through the Clubs area of Nominate and are regularly available for collection at competition days. Now that winter has arrived the winter jackets are also back on order.

We look forward to seeing you at our next competition!

Best regards,

Alex Chapman

Tech Boost For Sporting Clubs

The Mid South East Dressage Club received funds through **The News** Give Back Program. The club received \$610, bringing the total sum of donations to local organizations to more than \$29,000.

The News is a local Newspaper born from desperation when the Naracoorte Herald was taken over by the Murdoch group and shut down. Local Michael Waite who resettled in USA was on a return visit when Covid hit. Not happy for the community, he successfully produced a local paper in 20 days from thought to publishing the first edition. The paper not only keeps the community informed but gives back by way of donations to local sporting groups. Thank you to The News Team from MSED.

“The Mid South East Dressage Club President Kristy Boord said the funds would be a “huge help” for future events. “We’re looking at getting some iPads for the new online scoring system, which is all live,” Mrs Boord said”.

Equestrian Australia Dressage Judges' Seminar - G, F & E Levels

Held at the Naracoorte Polocrosse Grounds, Hynam on Saturday 22 May 2021 Presenter: Felicity Yuncken (A" Level Judge and Judge Educator). MSED and the EA SA Judges' Committee facilitated this Seminar, which was well attended. Thank you to the demo horses and riders: Kristine Hancock and *Mick*, Susan Thornley and *Spydar*, and Nicole Lewis and *Pepe*. Thanks also to Club stalwart Linda Archer and EA's Liz Duncan for bringing all together. Hopefully there will be soon be more Judges for this State.

Winters Series Round 2

The usual perfect weather shone over pristine grounds and there were two full arenas for the day. "A" Level Judge Felicity Yuncken, along with several Shadow Judges, presided over the EA arena. Susan Thornley and Amanda Lock presided over the HRCVA arena. Kristy Boord and Linda Archer judged the ever important MSED's Children's Tests. It was great to see new faces in all arenas. Competitors came from Warrnambool, Horsham, Mt Gambier, Keith and everywhere in-between - a radius of over 500 kms. Regional Clubs are so important to provide opportunities for riders to get out and about to competitions with their horses. There were super prizes and many grins on faces. Thank you to our pencilers, callers, runners, scorers and gear checkers. Many people did many jobs to make the event run smoothly.

The Naracoorte Polo Cross Grounds looked as though there had not been a horse on them the week before for the Horse Trials. This is a testament to the great preparation and maintenance of the grounds. Thank you.

Next Winter Series Round 3 June will be at the Naracoorte Show Grounds

Entries are now open on line for the 3rd and Final Round to be held at Naracoorte Showgrounds on Sunday 27 June
