p 18-25

- a) West Inter Lake District Regional Water Services Commission – please refer to the attached March 1st, 2023 letter from the Commission outlining the costs if Silver Sands was to join the Commission as a member:

| | |
|---------------|--------------------|
| Operating Fee | \$10,000.00 |
| Capital Fee | <u>\$80,095.78</u> |
| Total | \$90,095.78 |

Over and above this would be the annual operating and capital costs starting in 2024 (as this would be the anticipated year the membership would commence).

South View has received a similar letter and they have asked for a meeting with reps from the WILD Water Commission to discuss same.

(that the Summer Village of Silver Sands and South View attend a meeting with representatives of the West Inter Lake District (WILD) Regional Water Services Commission to discuss matters related to becoming a member of the Commission or remaining as customers)

- b) Family and Community Support Services – the Summer Village has \$5,593.00 to spend in FCSS funding in 2023. Attached is a request from the East End Bus Society for funds to help offset operating costs. The request is for \$1,400.00 and is made to 6 Summer Villages. If all 6 participate it would equate to \$233.33 each. In the past funds have been expensed on: Allnet, annual picnic, Darwell Library, Darwell School, LSAC Home Support,

- c) Town of Onoway/Onoway Regional Fire Services – March 8th, 2023 letter on the name change of our fire service provider from North West Fire Rescue to Fire Rescue International. Town CAO Jennifer Thompson is requesting a motion from member municipalities as such: “that Council agree to Onoway Regional Fire Services negotiating a new agreement with a name change of the fire services provider from North West Fire Rescue to Fire Rescue International, a non-profit service provider”. I have two comments on this: 1) I do not believe it should be a new agreement but more an amending agreement for the name change alone, otherwise the entire agreement could be opened back up and I do not believe that should be the intent. 2) I believe the proper names are North West Fire Rescue – **Onoway Ltd.** and Fire Rescue International **Ltd.** (I believe it is important to have the correct name in the motion).

(that the Summer Village of Silver Sands agree to Onoway Regional Fire Services negotiating an amending agreement or a new agreement with the current fire service provider solely for the purpose of a proposed name change of the fire

(that Council be authorized/ratified to take the upcoming Land Use Planning and Development course through the Elected Officials Education Program, with a registration fee of \$295.00)

- h) Draft 2023 Operating and Capital Budget – further to discussion at direction at our last Council meeting, an updated budget is attached for review. You will note in our CAO report that our School requisition has been received which is showing an increase from \$143,555 to \$148,497. We have also received confirmation of our grant funding: MSI Capital is unchanged at \$46,098 and our CCBF is set at \$15,016, and due to the high cost of inflation the government has doubled our MSI Operating funds which are now at \$17,122. Administration is proposing this additional MSI C funding be set aside for the 2018 road rehab payment to the County (we have not heard back on our response). Discussing capital projects, let us keep in mind potential applications to the Community Facility Enhancement Program should we have a project that qualifies and can find a community group/registered society to apply on our behalf.

In 2022 the minimum municipal tax amount payable was set at \$1,000.00 and historically Council direction has been to raise the minimum amount payable to an amount that reflects the overall municipal budget increase split equally amongst all properties. If we are to carry on with this philosophy for 2023 using the increase as noted in this draft budget, we would be raising the minimum amount payable by \$47.00 to \$1,047.00. As this will be our last budget review prior to preparing the tax rate bylaw for our next meeting, Administration is seeking direction as to where Council would like this amount set.

(that the budget discussion be accepted for information and Administration make changes to the draft budget as directed by Council, and that the final budget be brought back to the

Anne County and Summer Village shared road rehabilitation project on Twp Rd. 540. This road project ended up going over budget, and more than a year after completion of the project, the County sent a request to the Summer Village for an additional \$93,988.06. Mr. Edwards has provided background to this overage and he can speak more to the matter at meeting time. **A BYLAW OF THE SUMMER VILLAGE OF SILVER SANDS, IN THE
PROVINCE OF ALBERTA, FOR THE PURPOSE OF CANCELLING A
PORTION OF PLAN 2357 M.C.**

BEING A BYLAW FOR THE PURPOSE OF CANCELLING A PORTION OF PLAN 2357 M.C.

WHEREAS Section 658 of the Municipal Government Act empowers a municipality to cancel a plan of subdivision in whole or in part;

AND WHEREAS the owners of the parcels of land in the portion of the plan to be cancelled have consented to the proposed cancellation;

AND WHEREAS every person shown on the certificates of title of the lands in the plan of subdivision as having an estate or interest in it have consented to the proposed cancellation;

NOW THEREFORE the Council of the Summer Village of Silver Sands in the Province of Alberta, duly assembled, hereby enacts as follows:

1. IT IS HEREBY ORDERED that the lands described as Lots 7 and 8, Block 9, Plan 2357 M.C. are to be cancelled from the plan of subdivision of record which is registered in the Land Titles Office for the NORTH Alberta Land Registration District.
2. IT IS FURTHER ORDERED the cancelled lands be established as a single new lot known as Lot 7A, Block 9, Plan 2357 M.C.
3. THIS ORDER shall not be effective unless filed by the applicant in the office of the Registrar within NINETY DAYS from the date of this Order.

THE REGISTRAR for NORTH Alberta Land Registration District shall make all cancellations, issue all certificates of title and do such things as necessary, in his opinion, to give effect to this Order; including, but not restricted to, carrying forward all encumbrances, charges, liens, interests, and reservations as to mines and minerals in the existing certificate(s) of title.

ANY EXPENSES in the connection with carrying out this Order shall be borne by the applicant.

READ A FIRST TIME THIS 6th DAY OF April, AD 2023.

READ A SECOND TIME THIS 6th DAY OF April, AD 2023.

READ A THIRD AND FINAL TIME THIS 6th DAY OF April, AD 2023.

SIGNED AND PASSED THIS 6th DAY OF April, AD 2023.

**DEVELOPMENT OFFICER'S REPORT
PLAN CANCELLATION BYLAW NO. 332-2023**

APPLICANTS / OWNERS: [REDACTED]

DISTRICT: R - Residential

LEGAL DESCRIPTIONS: Lots 7 & 8, Block 9, Plan 2357 MC - #7 and #8 Hillside Crescent within the Summer Village of Silver Sands

PROPOSAL:

To cancel, by Bylaw, a portion of Plan 2357 MC to allow for the consolidation of Lots 7 & 8, Block 9, Plan 2357 MC into one new lot entitled Lot 7A, Block 9, Plan 2357 MC.

REGULATIONS:

M.G.A.Section 658 Cancellation of plan of subdivision

COMMENTS:

The applicants have requested His Worship Mayor and Council's favourable consideration of their application to cancel a portion of Plan 2357 MC to allow for the consolidation of the two lots that they own into one within the Summer Village of Silver Sands (See attached application form dated March 27, 2023). The subject lands are Plan 2357 MC, Block 9, Lot 7 and Plan 2357 MC, Block 9, Lot 8. Both Lot 7 and Lot 8 have a 11.97 m ARC (39.27 ft ARC) frontage on the Municipal Roadway (Hillside Crescent), depth of +/- 39.62 m (130.0 ft); and have a northeast boundary with Municipal Reserve Lot R9 measuring 27.53 m ARC (90.32 ft ARC). (See attached Site Map). Both Lot 7 and Lot 8 are currently Undeveloped. (See attached photos).

RECOMMENDATIONS:

It is the recommendation of the Development Officer that favourable consideration be granted to approve the Plan Cancellation Bylaw No. 332-2023, as requested, to allow for the consolidation of the subject two (2) lots, for the following reasons:

1. The proposal conforms to the requirements of the Land Use Bylaw and does not impinge upon the economic development of the Lands.
2. The proposal satisfies the requirements of Municipal Government Act, RSA 2000, Ch. M-26, Section 658, as amended.
3. It has been typical for His Worship & Council to look favourably upon such applications.

The personal information provided by you is being collected under the authority of the Municipal Government Act and will be used for the purposes under that Act. The personal information that you provide may be made public, subject to the provisions of the Freedom of Information and Protection of Privacy Act.

The following **MUST** be submitted with the application:

- Application and processing fee of \$835.00 - Cheque made payable to Summer Village of Silver Sands.
- A current title for each property being consolidated. Titles can be obtained from any Registries Office - (ownership information must match exactly on each title).
- This application **MUST** be signed by all owners listed on title.

Note: The process of consolidating two lots is complete once the application has been approved, the plan cancellation bylaw has been passed and signed by Council, the required paperwork has been registered at Alberta land titles and the updated land title is received by the municipality. It is important to note that as the current year's taxes are calculated based on the condition of the property at December 31st of the prior year, a consolidation of lots will **not** affect or amend the taxes in the year the consolidation is done.

Cancellation of plan of subdivision

Cancellation of plan of subdivision

658(1) On the application of one or more owners of a parcel of land in a plan of subdivision, a council may by bylaw order the plan cancelled, in whole or in part.

(2) A council may pass a bylaw under subsection (1) only with the consent of

- (a) the owners of the parcel of land in the plan of subdivision,
- (b) every person shown on the certificate of title of the land in the plan of subdivision as having an estate or interest in it, and
- (c) the Crown in right of Alberta, if the plan of subdivision shows a highway or road or other right of way vested in the Crown for which no certificate of title has been issued.

(3) A plan cancellation may not be effected only or primarily for the purpose of disposing of reserves.

(3.1) If all of a plan is cancelled, deferred reserve caveats and environmental reserve easements are also cancelled.

(4) If all reserve land has been cancelled from a plan of subdivision, the resulting parcel of land, if it is subsequently subdivided, may be subject to the provisions of this Part respecting reserves.

(5) If a plan is cancelled in part, a deferred reserve caveat may be placed against the consolidated certificate of title reflecting any reserve land that was cancelled and that will be owing if the parcel is subsequently subdivided.

Dear Mayor Poulin,

Re: WILD Water Commission – Request for Membership

Further to our continuing correspondence on the referenced matter, most recently your letter dated December 4th, 2022, I am pleased to provide the following update regarding your application for membership.

The Board of Directors had previously approved the application of your municipality to become a member of the Commission. This approval was subject to finalization of the appropriate "New Member Buy-In Charge," which was itself a matter of lengthy debate for our Board of Directors. We knew we had to get the methodology behind this calculation correct so that we could be fair to current members, and to prospective new members as well. On Feb. 27th, 2023, the Board approved Bylaw 18-2023 which we feel finds this balance. A copy of the bylaw is attached for your reference.

The only matter outstanding at this time would be the acceptance and processing of the calculated buy-in charge. The Commission now calculates this charge to be:

| | |
|-------------------------------|--|
| Operating Fee (Section 3(a)): | = \$10,000.00 |
| Capital Fee (Section 3(b)): | = $10\% * (\$81,000,000) * (22,920\text{m}^3 / 2,317,875\text{m}^3)$ |
| | = \$80,095.78 |

Total Buy-In Charge Due: = \$90,095.78

***This calculation is based on the previously declared water allocation for your community, totaling 22,920 cubic meters annually by 2043. If this number requires adjustment please advise and we will reissue the calculation, and update our allocation records, to reflect same.**

Subject to payment of this amount, you will receive full benefit of membership in the Commission, including representation on the Board of Directors (through the Summer Villages of Lac Ste. Anne County East appointed representatives), and access to the referenced allocation of water and the

Encl: Bylaw 18-2023 (New Member Buy-In Charge Bylaw)

Bylaw No. 18-2023
West Inter-Lake District Regional Water Services Commission

A Bylaw of the West Inter Lake District Regional Water Services Commission of the Province of Alberta to Establish a Framework and Fee Structure Related to a Buy-In Charge for the Incorporation of New Members into the West Inter Lake District Regional Water Services Commission.

WHEREAS the Commission has contemplated the ability to incorporate New Members into the Commission, as referenced in the Business Plan, generally, and the Operations and Services Bylaw, more explicitly;

AND WHEREAS Section 13.1 of the Operations and Service Bylaw, Bylaw 6-2017, provides that when contemplating the addition of a prospective new member, the Board of Directors has the discretion to agree to the addition of any new member municipalities to the Commission;

AND WHEREAS Section 13.2 of the Operations and Service Bylaw, Bylaw 6-2017, provides that any new member will be required to pay an amount, a Buy-in Charge, that is to be calculated at the time of application;

AND WHEREAS the Board of Directors wishes to ensure that a fair and equitable framework for the calculation of the Buy-In Charge is used to determine the appropriate amount due by a new member, respective of both the operating and capital cost history of Commission members, past and present;

AND WHEREAS the current capital costs for the completed phases of the transmission line system, Phases I, II, III, and IV, inclusive, are calculated to be \$81,000,000.00;

AND WHEREAS future capital costs for the completion of a Phase IV of the transmission line are expected but not yet known or finalized;

AND WHEREAS, pursuant to the *Municipal Government Act* c. M-26, R.S.A. 2000, s. 602.09(1)(d), the Commission must pass bylaws respecting the processes for adding or removing of members;

AND WHEREAS the Commission has an Operations and Service Bylaw, Bylaw 6-2017, that outlines the process for adding or removing members;

NOW THEREFORE the Board of Directors of the Commission enacts as follows:

Short Title:

1. This Bylaw may be referred to as the "New Member Buy-In Charges Bylaw"

- a. The Operating Fee shall be determined as a general appropriation based on a New Member's assigned 25-year water allocation whereas:
 - i. Annual allocations of 100,000 cubic meters or less shall pay \$10,000.00
 - ii. Annual allocations greater than 100,000 cubic meters but less than 200,000 cubic meters shall pay \$15,000.00
 - iii. Annual allocations equal to, or greater than, 200,000 cubic meters shall pay \$30,000.00.

- b. The Capital Fee shall be determined as a calculation of all Capital Costs related to the construction of any completed, or substantially completed, and commissioned, phases of the transmission line and system infrastructure for which the final costs of same are known, based on the adjusted twenty-five-year system allocation figures, as determined at the time of application:
 - i. The formula for calculation of Capital Fee shall be:

$$\text{Fee} = 10\% (\text{Capital Costs}) * (\text{New Member Allocation} / \text{Adjusted System Allocation})$$

Where:

Fee = Capital Fee of the New Member Buy-In Charge

Capital Costs = cumulative capital costs of all existing/ known/ commissioned projects at time of application, as defined.

New Member Allocation = Twenty-Five-Year Water Allocation assigned to new member

Adjusted System Allocation = the total system Twenty-Five-Year Water Allocation of the Commission, inclusive of the new Member Allocation.

- ii. For capital costs that are not yet known, or works not yet completed, the New Member will be required to cover their portion of these costs in the same manner as offer to all other members at the time of repayment, rather than as part of their New Member Buy-In Fee.

- c. The total New Member Buy-In Charge due by any New Member shall be the sum of the two considerations offered in Section 3(a) and 3(b), above:

$$\text{New Member Buy-In Charge} = \text{Operating Fee (Section 3(a))} + \text{Capital Fee (Section 3(b))}.$$

4. The New Member Buy-In Charge is a fee that is required to finalize a New Member's approval for membership by the Commission. Full and final payment of the appropriate New Member Buy-In Charge is due 30 days from the date of notice of an approval of a New Member by the Commission.

(12)

Use of New Member Buy-In Charges Collected:

5. On receipt of any New Member Buy-In Charges collected by the Commission, Management is hereby directed and authorized to commit these funds to the Commission's Operating and Capital Reserves such that the Operating Fee portion goes to Operating Reserves and the Capital Fee portions goes to Capital Reserves.
6. The Board of Directors, as its discretion, may reassign or redistribute the New Member Buy-In Charges collected as may be appropriate and in keeping with the Commission's overall fiscal framework and obligations, and the Municipal Government Act and provincial regulations regarding same.

Bylaw in Effect:

7. This rates with respect to this Bylaw shall take effect on the date of third and final reading of this Bylaw, being the date it is finally passed and signed.

Read a first time this 27th day of February, 2023.

Read a second time this 27th day of February, 2023

Unanimous Consent to proceed to third reading this 27th day of February, 2023

Read a third and final time this 27th day of February, 2022

Definitions:

2. In this Bylaw:

- a. "Capital Costs" shall mean the infrastructure and capital asset costs incurred by the Commission, specifically those related to the transmission line installation project, Phase I, II, III, and IV, and any other capital costs borne by the Commission on behalf of its members now or in the future for which the members are directly obligated to repay;
- b. "Capital Fee" shall mean that portion of to-date Capital Costs of the Commission that the Board of Directors deems appropriate to assign as part of the New Member Buy-In Charge for new Members, as established in this Bylaw;
- c. "Commission" shall mean the West Inter-Lake District Regional Water Services Commission as incorporated under Order in Council;
- d. "Member" shall mean a municipality that is a member of the Commission
- e. "New Member" shall mean any municipal entity that is not an existing member of the Commission and that has applied for, and been approved for, membership in the West Inter Lake District Regional Water Services Commission;
- f. "New Member Buy-In Charge" shall mean the payment due by a prospective New Member to finalize their membership in the Commission, being a cumulative amount of Operating Fees and Capital Fees, calculated as established in this Bylaw;
- g. "Operating Cost" shall mean the cumulative Board, Administrative and Governance, and System Operating costs, as incurred year to year.
- h. "Operating Fee" shall mean that portion of to-date Operating Costs of the Commission that the Board of Directors deems appropriate to assign as part of the New Member Buy-In Charge for new Members, as established in this Bylaw;
- i. "System" shall mean the West Inter-Lake District Regional Water Services Commission
- j. "Twenty-five (25) year water allocation" shall mean that amount of water projected to be consumed by, or reserved for, a member in the long-term allocation forecasts of the Commission Business Plan, as updated from time to time, measured in cubic meters. This volume is determined based on 300 litres per capita per day for urban municipalities and urban areas of rural municipalities, and 120 litres per capita per day for rural municipalities more generally (with population projections as per census data adjusted by 1% per annum).

Calculation of Buy-In Charge:

3. The New Member Buy-In Charge shall be the cumulative sum of the Operating Fee and the Capital Fee, as determined in this Bylaw:

Att: Lorne Olsvik, Chair

Dear Lorne:

Re: Membership in the WILD Water Commission

In reference to the above noted, please accept this letter as follow-up to our October 29th, 2018 letter requesting information on potentially becoming a municipal member of the WILD Water Commission (copy attached).

As discussed at our November 25th, 2022 meeting, the Council of the Summer Village of Silver Sands is still very interested in potentially becoming a member, and we ask for the Commission's consideration of same. It is exciting to see the progression and construction of this waterline in our region, and we commend the Commission on its vision and commitment to get this project completed.

We thank-you for your consideration of our request, *and wish you and yours, along with the entire Commission board and staff, a wonderful holiday season and all the best in 2023!*

Yours truly,

Att: Lorne Olsvik, Chair

Dear Lorne:

Re: Membership in the WILD Water Commission

In reference to the above noted, and our attendance at the October 25th, 2018 meeting in Seba Beach with Betula Beach and South View, please be advised this matter was discussed by the Council of the Summer Village of Silver Sands at their regular meeting of October 26th, 2018.

Further be advised the Summer Village is very interested in becoming a member of the WILD Water Commission and being part of this regional waterline initiative. Council is requesting information with respect to potential buy in costs, capital costs and annual operating costs. Also, the Summer Village is requesting the Commission give consideration to the feasibility of constructing a truck fill station near Twp Rd 540 and Rge Rd 52 which would service properties within the Lake Isle area.

On behalf of Council and the residents of the Summer Village of Silver Sands, we thank the Commission for allowing us the opportunity to join at this time, and look forward to further discussions on this project.

Yours truly,

Bernie Poulin

| Program/Project: POINT FORM DESCRIPTION <i>FCSS programs must be of a preventive nature that enhances the social well-being of individuals and families through promotion or intervention strategies provided at the earliest opportunity. How does this program or project contribute?</i> | The seniors develop independence, strengthen coping skills given the opportunity to socialize with other seniors and discuss their own situation and struggles while gaining ideas and coping strategies. It also gives seniors the ability to discuss situations they know or are in or others are in and can assist them weather its friendship, guidance or becoming involved with different group activities. |
| Statement of Need: <i>What community need or issue does this program or project address?</i> | Understanding their needs and concerns, will ensure their good health. Lending emotional support to the elders keeps them jovial, which is inevitably the ideal way to live a healthy life. It can improve emotional, intellectual, and physical wellness. Overall wellness in all of these areas is key to getting and staying healthy as a person grows older. Being involved in social activities can help avoid isolation and loneliness - two issues seniors may face if they aren't socially engaged. |
| Overall Goal: <i>What do you hope to achieve with the program or project [overall change or impact in the long term]</i> | Seniors in Motion achieves that seniors have another outlet for friendship and socializing. In its entirety, the main goal of EEB program is to help individual seniors live as comfortably, safely and independently as possible while partaking in numerous attractions throughout Alberta. |
| Broad Strategy: <i>In general terms, how will the program or project address the community need?</i> | Allowing seniors to interact with their peers, meeting new friends, enjoying their retirement years while socializing in a group setting. Everyone needs something to look forward to, EEB does this for seniors. "A STRANGER IS A FRIEND YOU HAVEN'T MET" Roy E. Stolworthy |
| Rationale: <i>What evidence do you have that would support this approach, ie.,if you do these things, then these results will occur? What is your "if/then statement?"</i> | This program gives seniors something to look forward to, they make new friends, new support systems. Giving them something to look forward to, making arrangements and allowing them to have adventures. I would hate to think of how the seniors would feel if this program was not funded. |
| Who is served? <i>What is the Target Group or population you want to reach with this program or project? (youth,</i> | Our program is for 50+ |

RE: Fire Rescue International

Chief Ives and I met with Michelle Gallagher, Patriot Law, to discuss the request from Chief Ives to rename North West Fire Rescue as Fire Rescue International.

Before this can be accomplished, all member municipalities must consider the following Council resolution:

"THAT Council agree to Onoway Regional Fire Services negotiating a new agreement with a name change of the fire services provider from North West Fire Rescue to Fire Rescue International, a non-profit service provider".

The documents that are included to facilitate this change are: WCB agreements; insurance documentation and certification documents. Documents are available upon request. It is important to note that ALL costs associated with this name change request are to be borne by Fire Rescue International.

Please provide Council's direction regarding this matter by April 15, 2023.

Sincerely,

Re: Demonstration of Lake Health technology (E8 Innovations)

Dear Mayor and Council,

The health of Lac Ste. Anne Lake has been an increasing concern for Yellowstone residents and all that live nearby, with fish kills, foul smell, and toxic algae prohibiting lake access.

In response, The Summer Village of Yellowstone is working towards becoming an environmentally conscious community by establishing environmental policies and bylaws directed at responsible lake living through educating residents to move towards elimination/reduction of future pollution and offloading nutrients into the lake.

In addition, The Summer Village of Yellowstone has been investigating emergent technologies that may benefit and improve current lake health. Of these technologies, one of the most promising may be E8 Innovations (www.E8innovations.com) which uses a unique process to increase oxygen while decreasing algae. Some may have seen the E8 Innovation's booth at the 2022 Alberta Lake Management Society (ALMS) and Alberta Summer Villages Association (ASVA) conferences. In 2023, E8 Innovations plans to attend the RMA, ALMS, and ASVA conferences/tradeshows. However, we invite you in advance of these conferences to the demonstration in Yellowstone. To view how this unique application works see <https://www.youtube.com/watch?v=Fxc0duggULw>

Yellowstone Council invites you and your Council (plus one administration) to this demonstration on July 22nd, 2023, from 10:00 to 2:00 to share this learning opportunity for whom lake health is a critical matter affecting our communities. It is important to be present from the beginning of the presentation to the end so you can see how the application works; we will have hotdogs, coffee, and donuts.

I hope that you will be able to join us on this date. If you and your Council can attend, RSVP to Kim at office@svyellowstone.ca by May 30th, 2023. Invitations are only extended to government representatives, elected Councils, and lake health groups to control access and the demonstration site.

Sincerely,

Don Bauer

Hi all, I would love to sign up for the EOEP "land use planning and development" 4 week course on line, but the first class is prior to our next Council meeting... and the cost is \$295.

May I ask for Council support to register, to be ratified at next Council meeting ?

Liz

[The Elected Officials Education Program \(EOEP\)'s Land Use Planning and Development Approvals](#)

Course starts next week! The course received rave reviews from participants in the fall. Course materials are specifically developed to help councillors gain a better understanding of their role and key concepts involved. Land use planning is a crucial municipal responsibility. Do you have the knowledge you need to make important land use planning decisions?

[Register today](#) for a virtual offering of the land use planning course that will take place on four Wednesdays in a row, from 2:30 to 4:30 p.m. starting April 5.

[Registration](#) is also open for a virtual offering EOEP's Strategic Planning course, starting May 4. The course helps councillors fulfill their role in determining the long-term goals and priorities of their municipality.

While EOEP course materials are targeted at elected officials, municipal administrators are welcome to register. Note that only elected officials are eligible to receive the [Municipal Elected Leader Certificate](#) (MELC) for taking all seven EOEP courses. MELC is delivered in partnership with the University of Alberta's Augustana Extended Education.

Thank you,

Ms. Wendy Wildman
Chief Administrative Officer
Summer Village of Silver Sands
PO Box 8
Alberta Beach AB T0E 0A0

Dear Ms. Wildman:

This letter is an annual notification of the Government of Alberta's legislation for collecting a municipality's policing cost share under the Police Funding Model (PFM) Regulation. Through a system of shared responsibility between the government and municipalities, a portion of the costs of frontline policing is allotted back to each municipality based on a number of factors: population, equalized assessment, crime severity, shadow population, and detachment location.

As per the Police Funding Model (PFM) Regulation, each municipality will contribute a portion of frontline policing costs based on a 20 per cent cost recovery for the fiscal year 2022/23. Total revenue generated is estimated to be \$44,784,300 and will be reinvested in Alberta policing initiatives. For fiscal year 2023/24 and going forward, municipalities will be invoiced based on a 30 per cent cost recovery. For your planning purposes, please use your invoiced amount for 2022/23 and add an additional 50 per cent to estimate your 2023/24 invoice total.

Please remit payment within 45-days of the invoice made payable to the Government of Alberta and forward to the address provided on the invoice.

Any questions related to the financial details of this invoice may be directed to the attention of Gordon Crawford at gordon.crawford@gov.ab.ca. Other background and contextual inquiries regarding the policy of PFM may be directed to Lisa Gagnier at lisa.gagnier@gov.ab.ca.

Sincerely,

M. A. (Marlin) Degrand, M.O.M.
Assistant Deputy Minister

Notes

Population provided by Alberta Treasury Board and Finance

Equalized Assessment – an annual calculation that measures the relative wealth of a municipality creating a common assessment base. It determines the ability of a community to pay a portion of policing costs in this context.

Municipality Population / PFM Population

Municipality Equalized Assessment / PFM Equalized Assessment

Population % of provincial x 50% population x Total Base Estimate

Equalized Assessment % x 50% x Total Base Estimate

Note 1: CSI Subsidy received if above rural municipal average. Accounts for volume and seriousness of crime based on incarceration rates. A three-year average is used to calculate your average CSI.

Note 2: Shadow Population – temporary residents of a municipality employed by an industrial or commercial establishment for a minimum of 30 days within a municipal census year. Shadow populations use the municipality's services but do not contribute to its tax base. Subsidy is up to 5% of total share.

Note 3: No detachment subsidy provided if town/municipality does not have access to a detachment.

 - Reserve Bid - \$60,000.00 (sixty thousand dollars) (GST, if applicable, is additional)

Note: Lot sizes as set out above are approximate

Mandatory Terms of Sale.

1. Applicable to all Lots:
 - a. All sales are subject to the Reserve Bid and any conditions and/or reservations on the existing title.
 - b. The Completion Date (the date on which the Buyer must have paid the full purchase price, subject to normal adjustments such as property taxes, and on which the Summer Village will have transferred title to the Buyer) is to be 30 days after acceptance of the offer by the Summer Village.
 - c. This Lot is sold "as is, where is" and the Summer Village makes no representations or warranties concerning the property and its condition whatsoever. Without limiting the generality of that statement, the Summer Village makes no representation and gives no

54

warranty as to the size and dimension of the lot, the presence or absence of encroachments onto or from neighbouring lands, compliance with any restrictive covenant on title, the adequacy of services, soil conditions, land use districting, building or development conditions, the absence or presence of environmental contamination or the presence of any hazardous substances, the developability of the subject property for any intended use by a Buyer, or any other matter whatsoever.

- d. Goods and Services Tax. GST, if any, shall be the responsibility of the Buyer, and is additional to the purchase price.

Making the Tender Submission.

1. Your tender submission must:
 - a. Specify the purchase price that you propose;
 - b. Provide a detailed plan to commence construction on a Dwelling within 2 years from the date of lot purchase.
 - c. Include a deposit of 10% of the purchase price, to be in the form of certified cheque, bank draft or money order, with the balance due on or before the Completion Date. (The deposit is refundable if the tender submission is not accepted by the Summer Village. It is not refundable if the tender submission is accepted by the Summer Village, unless the Summer Village fails to complete the sale on the terms of the accepted tender offer);
 - d. Include the full name, address, telephone number, fax number (if applicable) and email address of the Buyer; and
 - e. Include any other proposed conditions or terms for the sale.
2. **Sealed tenders will be accepted until 12:00 Noon Mountain Daylight Savings Time on Tuesday, April 25th, 2023 (the "Tender Closing Date").**
3. Your sealed tender submission is to be delivered by hand to the Summer Village office, or mailed to the following address:

Consideration of Tenders

1. Tenders received after the Tender Closing Date will not be reviewed or accepted.
2. All tender submissions will be examined on a date and time after the Tender Closing Date selected by the Summer Village's Chief Administrative Officer.
3. The Summer Village may accept or reject any tender made, in its discretion. The Summer Village may decide to reject all tenders made, including tenders that fully comply with all of the conditions of sale and the tender submission requirements. Other than the requirement for the

55

tender to be submitted by the Tender Closing Date, the Summer Village may decide, in its discretion, to waive or not to waive, technical non-compliance with any tender submission requirements in respect of any tender made.

4. Acceptance of any successful tender by the Summer Village shall remain conditional on the Buyer entering into a binding written contract in a form satisfactory to the Summer Village's solicitor.

If you have any questions on this tender process please contact Chief Administrative Officer, Wendy Wildman, at 587-873-5765. If you have any questions with respect to the zoning, permitted uses or restrictions for future development of any of these lots, please contact Development Officer, Tony Sonnleitner at 780-718-5479.

SVEMP Agency Meeting

Council:

Today was the agency meeting for our regional emergency management group. Detailed minutes will be forthcoming from our RDEM/RDDEM but I thought you would be interested in a quick recap of the important meeting elements. First of all it was valuable to meet at the Sunset Point Camp which is one of the sites selected for our agency partners to use as an Operations Centre should an emergency occur and where an ECC or Regional evacuation centre is required.

The focus of the meeting was to receive and review our updated **SVEMP Emergency Management Plan**. Janice walked us through the important components of the plan, the significant updates to the plan and the need to place and update our specific plans that are included with the regional plan (such as our SV of SS Evacuation Plan, Shelter in Place Plan, etc.). In addition we reviewed the key forms (200 to 208) that we have in our DEM kit, how they are used and the need to fill them in a detailed way for any event that occurs. The importance to do so cannot be overstated as these forms are key to any future AEMA compensation requests. Not filling out these forms will result in no compensation being paid for any event expenses of the affected municipalities.

Mock exercise. The exercise is slated for March 25 at the Sunset Point building on the lake side of the road (north of the camp entrance). There was some discussion of holding the event on a different date as AEMA representatives have informed us they are not available for the 25th. However, the group felt it was important to go on that date as other suggested dates are not good for some of the summer villages' reps.

On that note both Rick and I are not available for the 25th as I am in Mexico with my family and Rick has business commitments he cannot get out of. If there is a Councillor available to at least observe the event it would be greatly appreciated. They have not selected what the "Emergency" event is going to be and that will not be announced until everyone gets to the hall on the 25th as they want it to be as real life like as possible. If one of the Councillors is available I will call them and outline the emergency event types that may be selected and provide them with an overview of the process and responsibilities that will be worked through, as the group conducts the mock hearing event. At today's meeting there appeared to be about 7 or 8 folks from the other SV's that stated they would be in attendance.

John Swist provided a quick overview of how the **Audit** went. He restated the importance of DEM's/DDEM's/Councillors getting the necessary training to meet the legislative requirements and the need to get all of our required plans in place. As noted previously we are well taken care of in this regard and all of the Council motions and approvals are in place to meet the legislative requirements.

The final major topic of discussion was the **Block Captain initiative**. John from Yellowstone explained how his SV has embraced the initiative and offered to provide others with his experiences if desired. Overall it was generally understood that all SV's will have some kind of program in place but all

57

3/15/23, 6:25 PM

Mail - Summer Village Office - Outlook

recognized that it would ultimately look different in each SV, as they define how best to implement it in their respective municipality.

Lastly, it was really nice to get together in person as it has been over 3 years since we have had a face to face meeting with all of our agency representatives.

If you have any questions on the above please give me a call.

Invasive Species Update

In March, the Alberta Invasive Species Council held a very successful conference in Olds at the Olds College. The take home message from this conference was that Albertans cannot let their guard down when it comes to alien species invading our pristine environment. Here are several invaders and various campaigns highlighted at the conference:

Squeal on Pigs

Invasive wild boar at large and hybrid pigs appear to be increasing in Alberta. They can damage crops and landscapes. They are elusive and often times, only the damage caused by wild boar may be noticed. If you see unexplained disturbed land, contact AF.wildboar@gov.ab.ca or call 310.FARM to report this damage.

Understand your grass.

Many lakeshore cottagers are keen to see a thick, green lawn and are tempted to seed or sod down as close to the shore as possible. In order for them to ensure invasive annual grasses such as downy brome or Japanese brome do not take a foothold on lake areas, cottagers need to ensure their sod or seed does not contain invasive species by asking their suppliers if their products are invasive-free. As well, too much nitrogen fertilizer can leach into the water, when fertilizing your shoreline grasses, which can enhance devastating algae blooms in lake areas.

Burn it Where you Buy It

Firewood can contain invasive insects like emerald ash borer or harbor invasive tree diseases such as Dutch Elm Disease (DED). Don't get caught with DED when buying firewood further than 80 km from where you originally purchased it! Always burn it where you buy it and do not return to your Summer Village with it to avoid the spread of invasive insects and diseases.

Don't Let it Loose

Goldfish are a common pet in aquariums. When people get tired of their fish many have considered releasing them into lakes and streams, however this is illegal! Goldfish can survive in less than ideal conditions and disrupt our environments. If an aquarium pet or plant is no longer wanted, please return them to the pet store where purchased or donate them to a school, aquarium group, community organization or a rescue society. That also applies to aquarium moss balls. Some of these balls have been found to contain zebra mussels, which, if released in Alberta, could be an environmental disaster to our lakes.

Clean, Drain and Dry your Boat.

Recreational activities, such as boating can spread invasive species. Not only can zebra and quagga mussels be transported on uncleaned watercrafts and undrained bilges or equipment, but aquatic species such as Eurasian water milfoil, the exclusionary phragmites, and the invasive Prussian carp can be transported to new areas. In specific, Prussian carp have been found in the Red Deer and North Saskatchewan watershed, so it is critical that, even if you are just moving your boat from a river to a nearby lake, to always clean, drain and dry any gear that comes in contact with the water.

If You Don't Know, Now You Know:

Gardeners often are offered attractive species in the form of seeds or plant fragments. Emergent species have often been moved from one shore to line the edges of a pond or water feature. Many of the species can take over a lakeshore, ending the biodiversity and use of that water's edge. If you do not have full knowledge of what you might be bringing in to your pond, now you know to not do it. Some of these invasive ornamental species include yellow flag iris, flowering rush, Himalayan balsam, and purple loosestrife, and can all be found in Alberta.

Don't go cray-cray with your fish bait.

The northern crayfish is native to the Beaver River system, where it is often collected and used as bait for sport fishing in that area. But that river system is where it needs to stay. Bringing it back in your tacklebox or wet well and letting it loose in other water ecosystems could potentially cause major disruption. This applies to all live bait! It is illegal to let any bait loose in aquatic ecosystem.

All of these species and more were featured at the 2023 AISC conference. Continued updates on the battles against invasive species of all types will occur as successes and failures are noted—stay up to date with the AISC and join their newsletter or follow their social medial accounts on Facebook, Instagram and Twitter, @ABinvasives!

ALBERTA

MUNICIPAL AFFAIRS

Office of the Minister

MLA, Calgary-Shaw

AR110940

March 1, 2023

Dear Public Library Board Members:

Budget 2023 includes good news for Alberta's libraries. The Government of Alberta is increasing funding for library operating grants by \$3 million in 2023. As a result, \$33.55 million will go to 228 library boards in Alberta to support you in providing great service and meeting growing community needs.

I heard from many of you in recent months about the importance of increasing library funding, and I am pleased to say that your voices were heard. In Budget 2023, we have increased funding, updated the population figures used calculate grants to 2019 (the same figures used for other ministry grants), and simplified the funding formula to one base grant (\$9,000) and one per capita rate (\$5.60) for municipal boards. For regional system boards, per capita rates have been increased to \$4.75 for the operating grant and to \$5.60 for Library Services funding. We have also provided top-up funding where necessary, to ensure that all library boards are eligible for a minimum five per cent increase in their annual grant. For details on what each board is eligible to receive, please visit www.albertalibraries.ca.

Budget 2023 also continues our commitment to fund provincial public library network supports, including our management of SuperNet connectivity, e-content, accessible resources for people with print-disabilities, and interlibrary loan services. All of these services enable equitable library service across the province.

I am proud to be the Minister responsible for public library service. I know from stories you have shared with me, and from visiting my local library, how important libraries are to Albertans. Budget 2023 will allow public libraries to continue to offer job-seeking and language-learning services; to welcome and support newcomers to Canada; to connect people to the internet and community supports; to promote Alberta-published books and magazines; to offer opportunities for reconciliation and Indigenous learnings; and to set up children for success in literacy.

Thank you for your commitment to ensuring Alberta's public libraries remain a vital community hub. If you have questions about your projected grant or the application process, please contact the Public Library Services Branch in Municipal Affairs at libgrants@gov.ab.ca.

Sincerely,

Rebecca Schulz
Minister
