DESCRIPTION: In the early 1960's Ben Pearson created two high-end bow lines. The Golden Sovereign was the top line, and the short-lived Silver Sovereign the next. This RARE Silver Sovereign Tartan semi-recurve is a great looking and performing re-curve. It shoots really well. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips or cracks. No crazing or stress cracks; a few minor scratches, dings and nicks here and there. Limbs are white, but may look a little blueish in some of the pics. Sovereign decals are in excellent condition.

Comes with a new string.
