

Andover Glen Gazette

July 2021

ANDOVER GLEN HOMEOWNERS' ASSOCIATION NEWSLETTER - WWW.ANDOVERGLEN.ORG

IN THIS ISSUE

From the President

Dear Neighbors,

Summer in Andover Glen is in full swing and while we have had a few hot days, we are now fortunately enjoying a temperate weather.

Because of the heavy rains this season, are you experiencing out of control bindweed? You can now purchase "bindweed mites" which kill bindweed! For more information go to: ag.colorado.gov and search for "field bindweed biocontrol" to purchase the mites.

Did you know that you can easily get rid of household pesticides and other bio-materials that should not be put in the trash? Call Tri-County Health at 303-249-0086 and get on their list for pickup of hazardous materials.

Make sure to ask what their limitations are. The cost is \$10.00.

Our trash service has successfully transitioned to the new provider, Waste Connections. If you have any concerns or issues, please contact Lynn Walton or Kathy Johnson.

Thanks to everyone in Andover Glen for being patient as we ironed out a few wrinkles during the change.

The dumpster days were also a big hit and we had the added benefit of a free tree chipper service - Monster Trees - organized by Deb Jones. A huge thank you for both Deb and Kathy.

As we look forward to the fall months, the Andover Glen board elections will be held in September and we are always looking for new homeowners to participate.

Thank you all for making our community a thriving place to live.

Lynn

Recycling with Waste Connections

Sometimes recognizing what is acceptable and what is not can be a bit confusing.

Below is a list of what is not acceptable with our new recycle company, as well as a couple guidelines.

No plastic bags, plastic tops, shredded paper, hard back books, needles or syringes, scrap metal, plastic microwave trays, frozen food containers, light bulbs, plates, vases, glasses, hazardous or bio-hazardous materials.

No tissues, paper towels, napkins, waxed paper, waxed cardboard, Styrofoam, or paper to-go containers.

No sorting is needed, but please flatten all cardboard boxes and empty and rinse all containers. Do not flatten containers.

No need to remove paper clips, stamps, labels, staples, tape, wire, rubber bands, metal fasteners, spiral bindings, or plastic tabs.

National Night Out

National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer and more caring places to live.

If you are interested in celebrating National Night Out, it will take place on the evening of Tuesday, August 3.

There will be a police caravan at Sagebrush Park from 05:45 PM to 06:15 PM and at V-Esprit

(adjacent to Shalom Park) from 06:30 PM to 07:00 PM.

Various vehicles and representatives from the police and fire departments will be included and there will be food trucks as well as live entertainment at V-Esprit.

Annual Dues

A quick reminder about the change in invoice date for the annual dues.

Some of you "longtime residents" of Andover Glen may have noticed there has been a change to when you received your invoice for our annual dues (\$495).

We used to invoice everyone in June and dues were due in July, which caused a bookkeeping issue since our fiscal year is from July 1 to June 30.

We therefore moved the invoice date to July 1 and dues are now due by August 1.

Thank you in advance for paying on-time!

Local Help

My name is Brooke Krall.

I am thirteen years old and have lived in Andover Glen all my life.

I am interested in doing some babysitting to earn extra money.

I have an American Heart Association CPR and First Aid Certificate.

Please call 720-810-4864 if you are interested.

Friendly Reminders

Even though there are watering restrictions, the Aurora Water Department are providing good watering suggestions in the

monthly bills that still enables homeowners to maintain nice and healthy lawns. Please pay attention to your lawns so that everyone in the neighborhood can be proud of how beautifully maintained our community is.

Please remember to look around your homes and pick up any trash around the curbs, sidewalks, and shrubs.

Also, if you happen to be walking along the path on Parker Road, or the entry to the neighborhood, please do the same. It helps when everyone contributes to keeping our neighborhood clean.

Remember to complete an Architectural Change Request (ACR) - found on our website - for work to be done outside that requires approval. Any change, renovation, upgrade or paint job must be approved before the work can begin. If you have any question, please contact Dave Estes.
