The Owensville Veterans Memorial is being planned by a committee consisting of representatives from community organizations and several committed individuals.

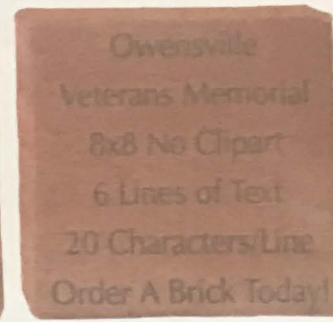

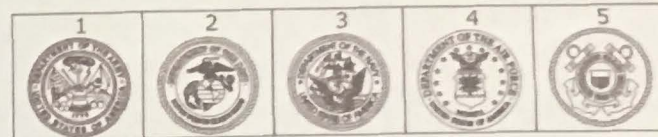

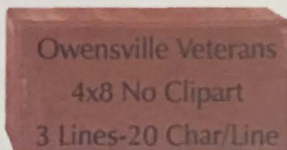

The memorial will be located on the corner of 4th Street and Jefferson Avenue in Owensville. The property is being donated by First State Community Bank for this use.

The memorial will honor all 5 branches of the military services. It is designed to provide a peaceful, dignified area honoring all those men and women who served and made sacrifices so that each of us could enjoy the freedom they made possible.

The sale of engraved bricks, granite benches, and cash contributions will fund the creation of this memorial.

Construction by local contractors will begin as soon as a sufficient amount of donations have been made and a sufficient number of benches and engraved bricks have been sold. The committee hopes to have a dedication service of the completed memorial on Sunday, November 11, 2018.

The Owensville Veterans Memorial project is an agency partner of the Owensville Area Community Foundation. All monetary gifts are tax deductible under the umbrella of the Owensville Foundation.
