## Honesty

Ol' Dobyn is a friend of mine, though stick horse he may be.  
We ride and rope and wrangle out on the lone prairie.  
We chase the bad guys, do good deeds, and live the cowboy way.  
We're honest with each other now, that's how we live each day.

### **H-O-N-E-S-T-Y**

Honestly I'll tell you why  
I do not steal or cheat or lie

### **H-O-N-E-S-T-Y**

We chase the bad guys, do good deeds, and live the cowboy way.  
We're honest with each other now, that's how we live each day.

### **H-O-N-E-S-T-Y**

Honestly I'll tell you why  
I do not steal or cheat or lie

### **H-O-N-E-S-T-Y (3x)**

## **I'm a Cowboy – Marshall Mitchell © All Rights Reserved**

-Chorus-

I'm a cowboy wakin' up each morn.  
I'm a cowboy when I'm asleep and snoring.  
I'm a cowboy in everything I do.  
I'm a cowboy when I eat my grub.  
I'm a cowboy, Ah, the life I love.  
It's great to have that cowboy attitude.

We get up at the break of dawn.  
Rub our sleepy eyes and yawn.  
It's a brand new day to do those things we do.  
Well, we hit the floor a'runnin';  
We're out there smiling, humming.  
We try and turn those gray skies bright and blue.

## **I'm a Cowboy (continued)**

When we're out there on the dusty trail  
With the tumbleweed and the bob white quail,  
We finish what we start; there's no doubt.  
Well, we ride and rope and wrangle,  
Out in the prairies, brush and brambles.  
Round them doggies up and move 'em out!

(Chorus)

You know cowboys love the land.  
A promise is a shake of hand.  
And my word is as strong as solid steel.  
Well, Cowboys always are polite.  
And we don't do if it ain't right.  
We tell you exactly how we feel.

You know, cowboys study hard in school;  
And we always live by the Golden Rule.  
We help Mom and Daddy every day.  
Well, cowboys always make it better;  
We're a doer not a setter.  
That has always been the cowboy way.

(Chorus) x2

Yeah, It's great to have that cowboy attitude!

Duck Bill is my sidekick.... though he is very small.  
He cannot reach the top shelf or carry much at all.  
He has a voice. He has the heart. He has a lot to learn.  
We give each other what we want to get back in return.

**R-E-S-P-E-C-T**

I give to you. You give to me.  
Once you do...then you will see.

**R-E-S-P-E-C-T**

He has a voice. He has the heart. He has a lot to learn.  
We give each other what we want to get back in return.

**R-E-S-P-E-C-T**

I give to you. You give to me.  
Once you do...then you will see.

**R-E-S-P-E-C-T (3x)**

**I Like You – Marshall Mitchell** © All Rights Reserved

I like bread and butter. I like toast and jam.  
I like everything there is to eat because that's the way I am.  
I like...beans and bacon, biscuits and gravy, too.  
Well, I like chicken fried and I like steak all grilled through and through.  
Now, I can name all the food I like but I like friendship best.  
I like you! Yes, I do.

I like mayonnaise sandwiches, a ham and cheese omelet.  
I like crunchy peanut butter squeezin' out between two Ritz.  
I like...day old doughnuts, I like hamburger gravy on toast.  
I like chili and cheese on hotdogs and I sure do like roast.  
Now, I can name all the foods I like but I like friendship best.  
I like you! Yes, I do.

I like watermelon. I like cantaloupe.  
Now black licorice is what I like, especially twisted like a rope.  
But I like RC Cola and I like bubble gum.  
I like almost everything that has to do with having fun.  
Now, I can name all the foods I like but I like friendship best.  
I like you! Yes, I do.

I like you!! I like you!! I like you!!

Now here's a little bear, you see, a sidekick who is dear to me.  
A pygmy grizzly named Bear Lee reminds both you and me.  
Our reputations on the line, even when no one sees  
In everything we choose to do, wherever we may be.

**I-N-T-E-G-R-I-T-Y**

I'll tell you why I don't lie.  
Our life's an example for all the world to see.  
We always do the right things. They come so easily

Our reputations on the line, even when no one sees  
In everything we choose to do, wherever we may be.

**I-N-T-E-G-R-I-T-Y**

I'll tell you why I don't lie.  
Our life's an example for all the world to see.  
We always do the right things. They come so easily

**Integrity....Integrity....Integrity**

**Living out on the Farm – Marshall Mitchell**

© All Rights Reserved

-Chorus-

Living out on the farm. Living out on the farm.  
This is the place where I live my life; Living out on the farm.  
Where the air is clean and the grass is green and the sky is  
bright and blue.  
I like living out on the farm and I think you would, too.

'Cause, I've got a dog and he says "Woof!"  
I've got a cat says "Meow."  
Late at night you can hear "Whoo! Whoo!"  
It's the call of the old Hoot Owl.

**Living out on the Farm (continued)**

The little green snake says "Ssss, Ssss, Ssss"  
And the Mallard duck says "Quack!"  
The sheep and the lambs go "Bah! Bah!"  
C'mon out where we're at?

(Chorus)

There's a bushy-tailed squirrel on a live oak limb  
and the morning dove will "coo!"  
The bees in the hive say "Bzzz! Bzzz! Bzzz!"  
And the housefly says "Bzzz!" too!  
Chickens scratch dirt and say "Cluck-Cluck!"  
The chicks go "Peep-Peep-Peep!"  
The big bullfrog goes "Croak! Croak"  
And the birds all sing "Tweet! Tweet!"

(Chorus)

The fish in the pond go " " "  
And the cow in the corn says "Mooo!"  
The pig in the pen says "Oink-Oink-Oink."  
The rooster "Cock-a-doodle-doo!"  
My little pony says "Nicker."  
The old black crow "Caw! Caw!"  
I love this land and the life I live in the hills of Arkansas.

**Responsibility – Marshall Mitchell** © All Rights Reserved

Well, here's ol' Sneaky Snake and Sam; decisions bad and good.  
We make decisions every day. I hope it's ones we should.  
It's up to every one of us....it's you and you and me.  
Stop and think about what's our responsibility.....

**Res....pon....si....bi....li....ty**

Find out which way we should go.

Find out what we need to know.

**Read a Book – Marshall Mitchell** © All Rights Reserved

Wherever you may go; whatever you may do.  
Always do your best and to yourself be true.  
If you have a question remember where to look.  
You can find the answer in the pages of a book.

Read a book. Read a book.

If it's just for reading pleasure or the studies that you took.

Read a book. Read a book.

There's history, mystery, sci-fi, you can even learn to cook.

Take the time and you can find it in the pages of a book.

Read a book. Read a book.

If it's inner space or outer space or Pan and Captain Hook.

Read a Book. Read a book.

There's all kinds of adventure waiting there for you to look.

Read a book. Read a book. Read a book.

**8 Seconds – Marshall Mitchell** © All Rights Reserved

Well, here we are.....at the rodeo.  
I paid my dues....and I'm ready t'go.  
My rig is oiled...I'm relaxed and loose.  
And I'm confident...I'll ride that ol' Cayuse.

-CHORUS-

I got 8 seconds, not to fall. I got 8 seconds to risk it all.  
I got 8 seconds to stay astride. I got 8 seconds to ride.

I got my hat pulled down...I got the cinch pulled tight.  
I got my leather fist...and tonight's the night.  
I'm gonna grit my teeth....I give my head a shake.  
The timer starts...when they open the gate.

(CHORUS)

-Bridge-

I got 1 second; 2 seconds; 3 seconds; 4 seconds;  
5 seconds; 6 seconds; 7 seconds; 8 seconds to ride.

The lights are bright....and the crowd goes wild.  
The announcer's voice...is clear and loud.  
We twist and turn...we jump and buck.  
When the buzzer sounds....I'm in luck.

We can hear Connie Coyote, the conscience of our life.  
She offers us encouragement to always do what's right.  
It matters not how hard the task, we won't accept defeat  
We keep on keep on, keep on trying, until it's complete.

**Perseverance.....Perseverance**

No matter how difficult. Perseverance.....Perseverance  
Work toward the end result.

**Perseverance.....Perseverance....Perseverance**

## **Cowtown Boogie – Marshall Mitchell**

© All Rights Reserved

C'mon everybody get on your feet.  
We're gonna do a little boogie that can't be beat.

You take your worrisome cares and fears,  
And boogie them right on outta here.  
With the cowtown boogie....boogie your cares away.

All the time you spend in school,  
Sometimes you think it ain't cool.  
Learn those lessons; they're your guide,  
To help you to a better life.  
Do the cowtown boogie...boogie your cares away.

-Chorus-

Do the cowtown boogie. (Audience: Cowtown Boogie))  
Do the cowtown boogie. (Audience: Cowtown Boogie)  
Do the cowtown boogie. Boogie your cares away.

I know there's times with Mom and Dad,  
Your chores at home can make you sad.  
Just remember what I say,  
They love you more and more each day.  
So do the cowtown boogie...boogie your cares away.

(Chorus)

Well...You can boogie to the left; boogie to the right.  
Turn around, boogie down with all your might.

(Chorus)

Everybody has their friends,  
They like to hang around with them.  
There's one thing that'll never stop.  
We'll be friends no matter what.  
Do the cowtown boogie...boogie your cares away.

(Chorus)

You can boogie to the left; boogie to the right.  
Turn around, boogie down with all your might.

(Chorus)

Play thru verse

Do the cowtown boogie. Boogie your cares away.

You can boogie to the left; boogie to the right.  
Turn around, boogie down with all your might.

(Chorus)

Do the cowtown boogie...boogie your cares away.  
Do the cowtown boogie...boogie your cares away.

**Wisdom – Marshall Mitchell** © All Rights Reserved

Owlivia the little owl is wise beyond her years.  
She watches with her little eyes and listens with her ears.  
The lessons we learn everyday will never, ever go away.  
We have knowledge kept inside and use it every day.

**Wisdom** only comes with time.  
It's like a ladder that we climb.  
The more we learn, the more we know.  
To use good judgment as we grow.

The lessons we learn everyday will never, ever go away.  
We have knowledge kept inside and use it every day.

**Wisdom** only comes with time.  
It's like a ladder that we climb.  
The more we learn, the more we know.  
To use good judgment as we grow.

It's **wisdom**.....it's **wisdom**.....it's **wisdom**.

**I like Me – Marshall Mitchell** © All Rights Reserved

I was born just who I am they broke the mold that day.  
I'm a unique individual, what more can I say?  
I got toes upon my feet and fingers on my hand.  
It's true that no one's perfect. I like the way I am.

-Chorus-  
I like me 'cuz I'm happy. I like me 'cuz I'm sweet.  
I like me 'cuz I'm funny and I think I'm pretty neat.  
I like me just because someone like me is hard to beat.  
I like me from my head down to my feet.  
I like me...I like me...I like me...I like me.

It's true I could be taller and my hair be curled or straight.  
My eye color could be different and I could lose or put on weight.  
I might be more athletic but I've come to understand.  
Of all the things that I might change I'd still like who I am.

(Chorus)

Now if somebody tells me that I'm weird and out of place,  
I don't get mad. I don't get sad. A smile comes on my face.  
I just tell 'em "Thank You. I'm glad you can see.  
No one else in this whole world is just like me."

(Chorus)

I like me...I like me...I like me...I like me.

## So Long, Adios for Now – Marshall Mitchell

© All Rights Reserved

Ride a happy trail. Sing a happy tune.

I'll see you again, I hope it will be soon.

Take a happy thought and put it in your heart.

That way you will know we'll never be apart.

-Refrain-

So long. Adios for now.

So long, all my saddle pals.

So long, in a little while,

I'll see you down the trail.

(Repeat Refrain)

I'll see you down the trail.
