CTA Celebrates its Members, their Dependents and Quality Public Education

Have you or a member of your community made a positive impact on public education? Has your involvement (or your colleagues' involvement) in local politics or human & civil rights made a difference? CTA recognizes educators and members of the community who promote quality public education, and impact their students and community.

Awards include effective communications by and for local chapters, excellence in public education media coverage, strong social justice and human rights work and more.

Educational scholarship grants offer financial support to CTA members and their dependents throughout the academic year.
