"Lord, Teach Us to Pray" is an event designed to encourage God's people to become a people of prayer. This event has the potential to change lives and to transform churches as participants are challenged to walk in intimacy with God. Recognizing that we learn by both hearing and doing, the curriculum is written to include a variety of activities that are practical applications of the teachings on prayer. Team members will share not only their victories, but also times

when they have struggled to walk in intimacy with God through prayer.

Experience the victory of a Spirit-filled prayer life: Is your personal prayer life a duty, a discipline, or a delight? Prayer is a relationship with our Heavenly Father that grows and matures over time. This seminar will encourage all those who yearn for a closer walk with the Lord through prayer.

Apply lessons from the prayer life of Jesus: Our prayer lives will be enhanced as we learn to follow Jesus' example of prayer. Why did Jesus pray? What did Jesus pray? When did Jesus pray?

Identify and find healing for obstacles to intimacy with God: God's promise of intimacy with Him is for you. But many of us experience obstacles to intimacy. Scripture, personal testimony, and the opportunity to receive personal prayer help participants find freedom for greater intimacy with God.

Welcome! If you are visiting with us today, we extend a warm welcome. Each guest is considered special here at South Harborcreek Church and we are thankful you chose to be with us! We hope this will be a meaningful time of worship for you.

THE MISSION OF THE CHURCH IS TO MAKE DISCIPLES OF JESUS CHRIST FOR THE TRANSFORMATION OF THE WORLD by proclaiming the good news of God's grace and by exemplifying Jesus' command to love God and neighbor, thus seeking the fulfillment of God's reign and realm in the world. God uses the church to save persons, heal relationships, transform social structures, and spread spiritual holiness, thereby changing the world.

We make disciples as we:

PROCLAIM the gospel, seek, welcome and gather persons into the body of Christ;

LEAD persons to commit their lives to God through baptism by water and the spirit and profession of faith in Jesus Christ;

NURTURE persons in Christian living through worship, and the sacraments, spiritual disciplines;

SEND persons into the world to live lovingly and justly as servants of Christ by healing the sick, feeding the hungry, caring for the stranger, free the oppressed being and becoming compassionate, caring presence, and working to develop social structures that are consistent with the gospel;

CONTINUE the mission of seeking, welcoming, and gathering persons into the community of the body of Christ.
