The homeopathic services you have requested are directed at strengthening your constitution and vitality. They are not directed at identifying, treating, or preventing specific diseases. Our practitioners are qualified homeopaths but are not licensed physicians. They are prohibited by law from diagnosing.

If you have a medical complaint or question about your health, it is important that you consult with a physician.

Many insurance companies do not pay for homeopathic services, and our office will not be sending a bill to your insurance carrier. Receipts can usually be turned in to your flex spending account (FSA) or High Deductible Account (HSA) for reimbursement. This depends on your insurance carrier and is not a guarantee from HHC.

CLIENT ACKNOWLEDGEMENT:

It is my personal preference to use the homeopathic services of the homeopath, Anne Hajek of Hajek Homeopathic Care LLC. I understand that homeopathic services are NOT MEDICAL treatments and that a homeopath is not licensed physician.
