

HP+ Patch Program

These soft, flexible patches feel similar to rubber, are heat sealed domestically and feature raised details perfect for clean lines and intricate designs with small elements.

48 pcs minimum order qty | 12 per cap style/color | Add \$3 per cap | Domestic production only
Patch size, shape and colors cannot change per 48 pieces | No samples

HP+ Patches are available in pre-designed namedrop options or customer supplied logos* Pantone color matching is used*

*Solid colors only. Gradients, Metallics & Neons are not available. Colors within the design cannot touch on the same plane.

*Please note the art team may need to modify logos accordingly to ensure they can be produced in this embellishment format.

*Knit styles will still require a sew down channel. *\$3 price includes up to 4 colors within the patch.
