

WDA, BEK Communications team up

Conference to be showcased 26 times as part of winter sports lineup

BISMARCK – All 10 Western Dakota Association (WDA) members will be featured at least once on BEK Communications as part of its winter lineup of games.

The schedule includes 10 boy's hockey games; 1 wrestling dual; 8 girls' basketball games and 7 boys' basketball games. All the contests will be aired on BEK PRIME (Statewide). The schedule is subject to change. Coverage begins on Saturday, Nov. 25 with Minot hosting defending state champion G.F. Central in boys' hockey action.

Last year, BEK Broadcasting/BEK Communications became a partner with the WDA and over 25 games/matches aired on BEK's channel platform. In addition to the games, BEK Communications put together highlight packages which were featured on the WDA website – wdasports.org.
